OVERVIEW

Presenting the new Ocean King 34m Explorer Yacht—pure power, poised elegance, and boundless discovery. Conceived by HydroTec for connoisseurs who won't sacrifice luxury, the Ocean King 34m redefines what an expedition-class superyacht can achieve. Forged on a steadfast steel hull and tuned for long range cruising, it unites commercial-grade resilience with sleek Italian styling, imparting unwavering assurance and grace in every sea state.

Come aboard to discover extraordinary volume for a yacht in this segment, a five stateroom arrangement with generous lounges, light filled saloons, and a full beam owner's suite framed by sweeping sea vistas. The calm, airy interior pairs contemporary artisanship with enduring sophistication, and can be tailored completely to your personal aesthetic. On deck, this 34 meter explorer yacht delivers layered outdoor living—an expansive aft terrace for tenders and toys, a sun washed flybridge with full bar, plus thoughtfully secluded areas for both celebration and quiet escape.

Driven by efficient twin engines, the Ocean King 34m offers outstanding fuel efficiency, a 4,000 nm transoceanic range, and the freedom to roam from hidden archipelagos to polar latitudes with absolute safety, simplicity, and ease.

DETAILED DESCRIPTION

Full technical details

Built by Ocean King with engineering and external design by Hydro Tec, this full-displacement steel yacht with a bow bulb and light alloy superstructure is classified RINA C + HULL • MACH; Ych – Short Range. She measures 111 ft 6 in/34 m LOA with a 103 ft 4 in/31.5 m LWL, carries a maximum beam of 25 ft 7 in/7.8 m, and shows a depth amidships of 13 ft 1 in/4 m and a draught at full load of 7 ft 6 in. At full load she displaces 312 t and maintains a gross tonnage under 300 GT.

Performance is assured with a maximum speed of 13 knots, a comfortable cruising speed of 12 knots, and an economical speed of 10 knots, yielding a range of 4,000 nm at ten knots.

Her interior accommodates up to 10 guests in 5 staterooms served by 8 heads, while a professional crew of 5 is housed in 3 cabins with 3 heads.

Power comes from two Caterpillar C18 main engines, each developing 533 kW at 2,100 rpm at 100% MCR. Shipboard power is supported by two Kohler 70 units. Precision handling and comfort underway are enhanced by one CMC TP 75 EA bow thruster and two CMC LR 090 stabilizers. Autonomy is strengthened by one Idromar MC 3 Duplex desalination plant producing 2,272 gal/day.

Tankage is generous, with marine gas oil capacity of 11,889 gallons/45,000 liters, fresh water capacity of 3,170 gallons/12,000 liters, black water capacity of 264 gallons/1,000 liters, grey water capacity of 528 gallons/2,000 liters, bilge capacity of 132 gallons/500 liters, and lubricating oil capacity of 92 gallons/350 liters. A 505 Diesel Jet tender is housed discreetly inside the garage.

For those seeking added thrust, an engines upgrade option offers two MAN V8 engines, each rated at 588 kW at 2,100 rpm.

About Ocean King

Ocean King is the proud culmination of more than thirty-five years dedicated to crafting commercial steel vessels. From our shipyard in Chioggia, within the Venice lagoon—a place steeped in a shipbuilding tradition of excellence that spans over nine centuries—we channel this heritage into every yacht we create.

Our journey and evolution have shaped a singular approach to luxury yachts, blending passion and expertise to deliver vessels with true Explorer DNA, the perfect synergy of practicality, elegance, and seaworthiness. Revering the sea's unpredictable and wild nature, we embrace a cutting-edge design philosophy that demands unwavering strength and reliability. For this reason, our yachts are meticulously constructed in metal, ensuring unmatched sturdiness, dependability, and comfort—qualities no other material can equal.

An Ocean King offers all this and beyond, allowing you to focus on what truly counts: adventure.

Disclaimer

All particulars are presented in good faith; however, neither the accuracy of the information nor the condition of the vessel can be guaranteed or warranted.
