## OVERVIEW

---

The Overing 113' Family Kitchen Explorer is built on a dependable proprietary fast displacement hull form and presents a range of layout choices.

This is far from the usual "country kitchen" that confines the master suite to the lower deck; instead, it showcases a midship full-beam open galley with large windows, a roomy settee, and plenty of counter seating.

Outfitted with all essential commercial-grade appliances, including a six-burner cooktop and proper overhead ventilation on the cooking island, this yacht for sale includes a walk-in pantry, ample storage solutions, a refrigerator/oven wall, a coffee station, a wine cooler, and additional storage options. You can never have too much storage, which is why there's an extra pantry in the formal dining room located forward of the galley, complete with a large window, a buffet underneath, and china storage cabinets.

The formal dining area is easily accessible from the galley and also welcomes guests through the foyer. The galley can be closed off from the expansive aft lounge and foyer for added privacy.

The fourth service level features extra refrigeration and freezer space, dry goods storage, and individual crew lockers. It offers full-height access from the bow crew area to the stern, along with service access to the forward pump room and other essential equipment. This full-service level is a distinctive feature of this series within its size category.

These remarkable features create a chef's haven, providing a wonderful space for family and friends to gather in an informal setting, share stories of the day's adventures, and enjoy the ambiance of a family kitchen. It also offers all the practical storage required for true long-range and remote exploration.

Additionally, it serves as a perfect area for children to engage in schoolwork or play games, separate from the two lounge areas. The formal dining room can easily transform into a remote school area or be adapted for use as a gym or

medical suite.

Invite your family and friends to experience your Explorer yacht just as you would in your own home, with a magnificent galley to entertain them and breathtaking views from the panoramic windows. Alternatively, let the chef take over the cooking while you savor stunning vistas from your formal dining room, enjoying fresh regional cuisine, fish straight from the sea, and exquisite wine. Explore yacht sales in the current boat location and seize the opportunity to buy a yacht that embodies luxury and adventure.

# DETAILED DESCRIPTION

---

## Section name

---

This yacht showcases an interior with a premium contemporary satin finish featuring an open grain, with the option for a high-gloss filled grain to match the owner's taste. The wood selection is customizable, allowing for a unique and personal touch. Classified under Lloyds 100A1 SSC Yacht Mono G6 + LMC,UMS, this vessel adheres to stringent safety and performance standards. It possesses a safety certificate from the Malta Registry, ensuring it meets the requirements for private yachts with limited charter options, which can be tailored to the owner's needs.

The exterior is coated with a top-tier Alexseal finish, offering both resilience and visual appeal. The yacht is constructed with eight watertight compartments, in line with class specifications, enhancing its safety and structural soundness. Every aspect of this yacht is meticulously crafted to uphold the highest standards, providing its owner with both luxury and assurance.

## Overing 113

---

The Overing 113' Family Kitchen Explorer is a masterpiece of design, crafted on a tried-and-true proprietary fast displacement hull. This yacht presents a range of layout possibilities, but its most remarkable feature is the midship full-beam open kitchen. Unlike the typical "country kitchen" that confines the master suite to the lower deck, this kitchen is expansive and bathed in natural light through large windows. It includes an oversized settee and counter seating, making it an ideal spot for gatherings.

The kitchen is outfitted with every commercial-grade appliance one might

need, including a 6-burner cooktop and proper overhead ventilation on the cooking island. It boasts a walk-in pantry, ample storage, a refrigerator/oven wall, a coffee station, a wine cooler, and additional storage options.

Understanding the importance of storage, there is an extra pantry in the formal dining room, situated forward of the kitchen. This room also features a large window with a buffet below and cabinets for china storage.

The formal dining room is directly accessible from the kitchen, with guest entry through the foyer. For added privacy, the kitchen can be separated from the expansive aft lounge and foyer. A unique feature of this series at this size is the fourth service level, which includes extra refrigeration and freezer space, dry goods storage, and individual crew lockers. This level offers full-height access from the bow crew area to the stern, as well as service access to the forward pump room and other equipment.

These elements make the Overing 113 a culinary enthusiast's paradise and a delightful place for family and friends to gather informally, share stories of the day's adventures, and enjoy the lively atmosphere of a family kitchen. It provides all the practical storage necessary for genuine long-distance and remote exploration. The space is adaptable enough to serve as a place for children to do homework or play games, separate from the two lounge areas. The formal dining room can also be converted into a remote learning area, gym, or medical suite.

Invite your family and friends to experience your Explorer yacht just as you would your home, with a magnificent kitchen to entertain them and ever-changing breathtaking views from the panoramic windows. Alternatively, let the chef take charge and relish the stunning vistas from your formal dining room while enjoying fresh regional dishes, seafood straight from the ocean, and fine wine.

## Owner stateroom

---

The Owner Stateroom is an opulent haven crafted with both comfort and utility in mind. At its center lies a king-size bed, paired with a built-in entertainment center featuring an HDTV for the ultimate in relaxation. Ingeniously designed drawer space beneath the bed, along with built-in nightstands and dressers, ensures ample storage without sacrificing style. A built-in couch enhances the room's comfort, while an ensuite office and gym, divided by a glass wall and door, offer a private area for work and exercise.

The stateroom includes a private owner's lobby equipped with a refrigerator and coffee maker, as well as a private laundry closet complete with a washer, dryer, and storage cabinets. An oversized cedar-lined walk-in closet provides generous space for clothing and personal items. The room is illuminated by natural light through fixed, full-surround windows, and features a built-in computer desk and bookshelves for added convenience.

The ensuite bathroom is a luxurious retreat, featuring his and her sinks with elegant stone countertops, two Tecma toilets in separate port and starboard water closets, and his and her hampers and towel cabinets. A walk-in shower with dual rainfall shower heads and a built-in seat promises a spa-like experience, enhanced by a custom exhaust fan system and custom mirrors. The lighting is thoughtfully recessed in the ceiling, creating a tranquil ambiance.

Additional features include a built-in makeup vanity, an air-conditioning and heating system with digital controls, and high-quality carpet or engineered wood flooring in the cabin, with stone flooring in the bath. Every detail of the Owner Stateroom is designed to provide a perfect blend of luxury, comfort, and practicality.

## VIP and guest staterooms and baths

---

The VIP and guest staterooms aboard this yacht are crafted to deliver unmatched comfort and opulence. There are two VIP staterooms, each furnished with a king-size bed, and two additional rooms with twin beds. Each room is outfitted with built-in nightstands and dressers, offering generous storage solutions. Cedar-lined closets, complete with lighting, add a layer of elegance and functionality.

Beneath the beds, additional drawer space is available, ensuring every inch of the room is used effectively. Each stateroom includes a built-in entertainment center with an HDTV, allowing guests to relax in style. Fixed portlights allow natural light to flood in, enhancing the rooms' ambiance.

The bathrooms are equally lavish, featuring custom vanities and mirrors, with stone countertops that add a touch of refinement. The VIP staterooms feature two sinks, while each twin guest cabin is equipped with a single sink. Custom showers include a bench seat for added comfort, and each bathroom is equipped with a Tecma toilet and an exhaust fan system to maintain a fresh atmosphere.

The lighting is elegantly recessed in the ceiling, creating a tranquil and welcoming environment. An air-conditioning and heating system with digital controls allows guests to set the climate to their preference. The staterooms and bathrooms are finished with high-quality carpet or engineered wood flooring, complemented by premium wall coverings, ensuring every detail enhances the luxurious experience.

## Main salon and formal dining

---

The main salon and formal dining area of this yacht are crafted to deliver both sophistication and practicality, forming an ideal setting for leisure and socializing. The owner can customize the space with loose furnishings, while a

built-in L-shaped sofa with storage offers a cozy and efficient seating arrangement. A 65" HD TV is strategically positioned for optimal viewing, ensuring entertainment is always within reach.

The dining area is equally adaptable, with the dining table and chairs provided by the owner, allowing for a personal touch. Two built-in buffets with cabinet and drawer storage provide ample room for dining necessities, while a floor-to-ceiling concealed china cabinet adds a layer of elegance and utility.

The atmosphere is enhanced by recessed ceiling lighting, creating a warm and welcoming environment. The air-conditioning and heating system, equipped with digital controls, ensures a consistently comfortable climate. A central stairwell with open tread stairs adds architectural flair and facilitates easy movement between levels.

For added convenience, there is a powder room vanity with a mirror and granite finishes, as well as a coat locker for guests. The flooring is crafted from cored stone, offering both resilience and elegance, while high-quality wall coverings contribute to the luxurious ambiance of the space. An audio/video equipment locker ensures all technology is neatly organized and easily accessible.

A privacy pocket door separates the dining and salon areas, allowing for intimate gatherings or larger social events as desired. This space is thoughtfully designed to meet the needs of both the owner and their guests, offering a seamless blend of style and functionality.

## Main galley

---

The main galley on this yacht is a generous, on-deck culinary sanctuary available in multiple configurations, each crafted to optimize both storage and functionality with premium equipment. The Family Kitchen Layout stands out, bringing the coziness and central role of a home kitchen to your yacht.

Understanding that the kitchen is often the hub of family life and social gatherings, this layout provides three seamless options for cooking and entertainment: family meal preparation and dining, allowing the yacht chef to take the lead, or a blend of both. It's an ideal arrangement for owners and families who love participating in meal preparation and spending quality time together around the kitchen. Additionally, it serves as an excellent spot for children to dine while adults enjoy the formal dining room, which can also function as a game room or study area. These two spaces complement each other perfectly, offering numerous possibilities for their use.

The galley is fitted with custom cabinets featuring granite countertops, providing a luxurious and durable workspace. An undercounter ice maker, two oversized commercial sinks with disposals, and an electric pocket door enhance the kitchen's functionality. The galley also includes two dishwashers, a coffee machine, and two trash compactors, ensuring that all culinary needs are met. A built-in pantry with shelving and an island with appliance storage offer ample space for organizing supplies.

For refrigeration, the galley boasts a Subzero 36" refrigerator and freezer, as well as a Bosch 24" refrigerator/freezer, ensuring that fresh and frozen goods are always at hand. Cooking is made easy with an induction surface range with an exhaust hood, two stacked wall ovens, and a microwave oven. The lighting, both undercounter and overhead, is designed to create a bright and inviting atmosphere.

The galley is equipped with an air-conditioning and heating system with digital controls, ensuring a comfortable environment at all times. High-quality flooring and wall coverings add to the overall elegance and sophistication of the space. With its extensive storage in the galley, dining area, and lower service deck, you will have all the supplies you need for extensive cruising, including dry goods, fresh, and frozen stores.

## Pilothouse

---

The pilothouse of this yacht is crafted to deliver unparalleled navigation and comfort for extended journeys. It boasts cutting-edge digital controls and is outfitted with the necessary provisions for electronics, ensuring comprehensive global navigation capabilities. This guarantees that the yacht can be steered safely and efficiently through any waters, regardless of their remoteness.

Within the pilothouse, a cozy settee awaits, ideal for relaxation or for guests to enjoy the voyage alongside the captain. The dual helm seats provide both the captain and a co-pilot with the ability to steer with ease and accuracy, ensuring the yacht is always under expert guidance.

Adjacent to the wheelhouse, a dedicated captain's cabin offers a private retreat for rest and relaxation. This thoughtful feature ensures the captain can stay near the helm, ready to take command whenever needed, while also having a comfortable space to unwind and rejuvenate. The pilothouse is a seamless fusion of advanced technology and comfort, designed to cater to the needs of both the crew and the guests.

## Skylounge

---

The skylounge on this yacht is an opulent and adaptable area crafted for both relaxation and entertainment. The owner can customize the space with loose furnishings, while a built-in L-shaped sofa with storage combines comfort with practicality. A 65" HD TV is ideally placed for perfect viewing, making it an excellent spot for unwinding or entertaining guests.

The skylounge includes an L-shaped bar fitted with a refrigerator, ice maker, trash compactor, and a food lift, ensuring refreshments are always within reach. A built-in buffet with cabinet and drawer storage offers ample room for organizing dining essentials and other items.

For added convenience, there is a powder room featuring a vanity, mirror, and granite countertop, complete with a Tecma toilet and an exhaust fan system to maintain a fresh environment. The lighting is elegantly recessed in the ceiling, creating a warm and inviting ambiance.

The space is climate-controlled with an air-conditioning and heating system featuring digital controls, ensuring a comfortable environment in any weather. The flooring is tastefully finished with either teak and holly or Amtico, enhancing the overall elegance of the skylounge. Built-in storage solutions further increase the functionality of this exquisite area, making it a perfect blend of style and utility.

## Wheelhouse

---

The wheelhouse of this yacht is an expertly crafted area that seamlessly merges functionality with opulence. At its heart lies a built-in helm with comprehensive instrumentation, ensuring navigation is both accurate and efficient. The helm is paired with a Stidd helm chair, providing the captain with comfort and support on extended journeys.

The forward section of the wheelhouse includes a custom port settee and tables, along with a bespoke starboard lounge, offering ample seating for guests to enjoy the voyage. Polished stainless 316L handrails contribute a touch of elegance and safety, while the teak decking enhances the overall aesthetic with its timeless charm.

A custom dining settee and table provide an ideal spot for dining or meetings, transforming the wheelhouse into more than just a command center but also a social gathering place. The ceiling is equipped with recessed white and red lighting, allowing for adjustable ambiance to suit various times of day or night. The flooring is available in premium carpet or engineered wood, offering both comfort and durability. High-quality wall coverings enhance the sophisticated

atmosphere, making the wheelhouse a perfect fusion of style and practicality, tailored to meet the needs of both crew and guests.

## Flybridge

---

The flybridge of this yacht is an extraordinary area crafted for both navigation and relaxation, offering an ideal mix of functionality and luxury. At its core is a built-in helm with comprehensive instrumentation, ensuring precise control and navigation. The helm is paired with a Stidd helm chair, providing the captain with comfort and support during voyages.

The forward section features a custom port settee and tables, along with a bespoke starboard lounge, offering ample seating for guests to unwind and take in the panoramic views. Polished stainless 316L handrails add a touch of elegance and safety, while the teak decking enhances the aesthetic appeal with its timeless charm.

A custom dining settee and table provide an ideal spot for alfresco dining, while the service bar, equipped with a sink, stone countertops, food lift, refrigerator, freezer, and icemaker, ensures that refreshments are always within reach. For those who enjoy cooking outdoors, a stainless gas grill is available for preparing meals in the open air.

The flybridge is also equipped with a Nautical Structures 3000# crane with a hydraulic vertical lift, cleverly concealed in a buffet cabinet, allowing for easy handling of water toys and equipment. There is ample space for two jetskis and two scooters, with optional paddleboards or kayaks supplied by the owner, making it a versatile area for water sports and activities.

This flybridge is thoughtfully designed to cater to the needs of both the crew and guests, offering a seamless blend of style, comfort, and practicality.

## Engine room and major equipment

---

The engine room of this yacht is a hub of sophisticated engineering and state-of-the-art technology, crafted to deliver peak performance and dependability. At its heart are two CAT C32 IMO 3 Marine Propulsion Engines, each producing 1,450 BHP at 2,150 RPM. These engines feature a 24V start and are cooled by a heat exchanger, ensuring powerful and efficient propulsion. Complementing the main engines are two ZF units with optional trailing pumps and Vulcan couplings, managed by ZF Supershift 2 Controls for smooth and precise maneuvering.

Power generation is managed by two Northern Lights Generators, each providing 80kW at 60Hz with a 24V start and three-phase power, ensuring a consistent and reliable energy supply. The custom exhaust system, Racor fuel/water filters, and a comprehensive fuel transfer system work in harmony to maintain engine efficiency and longevity.

Safety is a top priority, with a bilge system, a fire fighting system, and a FirePro fire extinguishing system that includes audible alarms in the engine room, pilothouse, and crew quarters. The Selmar MSD, ABTTRAC hydraulic bow thruster, and TRACSTAR stabilization system with two fins further enhance the yacht's handling and stability.

The engine room is equipped with Kobelt hydraulic steering, an air compressor, and two freshwater pressure sets, along with two hot water heaters to ensure comfort and convenience. The AquaAir chilled water air conditioning system provides a refreshing climate throughout the yacht.

The electrical system operates on 230/380 3 Phase 60Hz, with an optional Atlas Marine AC main switchboard at 220VAC, three-phase, and an Atlas Marine frequency converter. Two CM-8 Cablemasters and two Glendinning shore power cable storage units ensure seamless power management, while Newmar battery chargers maintain battery health.

Ventilation is optimized with an engine room ventilation system featuring demisters, and two 1400 gallon/day water makers ensure a constant supply of fresh water. The air conditioning and heating system, rated at 30 tons, includes a fresh air make-up system for enhanced comfort. Seamless power transfer with auto generator paralleling ensures uninterrupted operation, making this engine room a testament to superior design and engineering.

## Deck

---

The deck of this yacht exemplifies exceptional craftsmanship and sturdy design, with all deck hardware crafted from 316L stainless steel for outstanding durability and resistance to corrosion. Central to the anchoring system are two Maxwell VRC8000 anchor windlasses, paired with two Maxwell VC4000 warping capstans, ensuring secure and efficient mooring. The stainless anchor pocket accommodates two 180KG Pool SHHP 316L anchors, each linked with 140 meters of 17.5 mm stud link U2 galvanized chain, providing dependable anchorage in diverse conditions.

A hydraulic telescoping passerelle extends to an impressive 188 inches, facilitating easy boarding and disembarkation. For relaxation, a large padded sun lounge offers an ideal spot to bask in the sun. The deck is adorned with polished stainless 316L handrails and railings, adding both safety and elegance to the yacht's exterior.

Port and starboard warping stations are equipped with stainless roller fairleads and double stainless bollards, ensuring smooth and secure handling of mooring lines. The deck also features polished 316L bollards on both port and starboard sides, further enhancing its functionality and aesthetic appeal. The yacht boasts a spacious swim platform, providing easy access to the water and the lazarette through an oversized door, making it perfect for water activities and storage. This deck is designed to offer both luxury and practicality, ensuring a seamless experience for all aboard.

## Aft main deck

---

The aft main deck of this yacht is an exquisitely crafted area that seamlessly merges elegance with practicality, creating an ideal environment for relaxation and social gatherings. It boasts custom built-in seating with a table, complemented by loose chairs provided by the owner, allowing for a personalized touch and adaptable seating options. The teak decking adds a layer of timeless sophistication, enhancing the deck's overall aesthetic.

A custom built-in bar, equipped with a sink and ice maker, ensures that refreshments are always conveniently accessible, making it perfect for hosting guests. For those who love to bask in the sun, a large padded sun lounger provides a comfortable spot to unwind and soak up the rays.

This aft main deck is thoughtfully designed to meet the needs of both the owner and their guests, offering a harmonious blend of style, comfort, and functionality.

## Lazarette

---

The lazarette of this yacht is a generous and adaptable space crafted to meet a variety of activity and storage requirements. It includes an engineer's cabin and a workbench, providing a dedicated area for maintenance and repairs. The space is also outfitted for a dive station, featuring a stainless steel country-style sink, a trash freezer, and a day head, ensuring convenience and functionality for diving enthusiasts. Additionally, there is an option to convert this area into a Beach Club, offering a luxurious haven for relaxation and entertainment.

Built-in benches and storage lockers offer ample room for organizing equipment, while the dive station is equipped with a compressor and tank storage, ensuring all diving gear is easily accessible. A transom shower is

available for rinsing off after water activities, enhancing the convenience and comfort of the space.

For water sports enthusiasts, there is an optional 3000-pound hydraulic swim platform with teak grate inserts and two jet ski cradles, facilitating easy launch and retrieval of watercraft. This lazarette is thoughtfully designed to accommodate the diverse needs of yacht owners and their guests, offering a seamless blend of practicality and luxury.

## Captain's cabin

---

The captain's cabin on this yacht is a meticulously crafted space that merges comfort with functionality, providing the captain with a private haven to relax and rejuvenate. The cabin boasts an oversized berth, offering plenty of room for rest. A built-in dresser and cedar-lined closets with lighting provide ample storage solutions, while additional drawer space is cleverly incorporated beneath the bed.

For entertainment, the cabin is outfitted with a built-in entertainment center featuring an HD TV, allowing the captain to unwind effortlessly. A built-in desk offers a dedicated workspace, and a fixed portlight allows natural light to enhance the cabin's ambiance.

The cabin's ensuite amenities include a vanity with mirrors and a Corian countertop, a Tecma toilet, and a stall shower, all complemented by an exhaust fan system to maintain a fresh environment. The lighting is recessed in the ceiling, creating a warm and inviting atmosphere.

Climate control is managed by an air-conditioning and heating system with digital controls, ensuring comfort in any weather. The cabin is finished with high-quality carpet or engineered wood flooring and premium wall coverings, adding to the overall elegance and sophistication of the space. This captain's cabin is designed to cater to the captain's needs, offering a perfect blend of

luxury and practicality.

## Crew cabins

---

The crew cabins on this yacht are crafted to ensure both comfort and functionality for the crew, providing them with a restful and efficient living environment. Each cabin is outfitted with upper and lower berths, optimizing space while offering comfortable sleeping arrangements. Cedar-lined closets with lighting provide ample storage, while additional drawer space is conveniently integrated under the beds.

For entertainment, each cabin includes a built-in entertainment center with an HD TV, allowing crew members to unwind during their leisure time. A large fixed portlight allows natural light to flood in, enhancing the cabin's ambiance and connecting it to the outside world.

The ensuite facilities feature a vanity with mirrors and Corian countertops, a Tecma toilet, and a stall shower, all complemented by an exhaust fan system to maintain a fresh and pleasant atmosphere. The lighting is recessed in the ceiling, creating a warm and inviting environment.

Climate control is managed by an air conditioning and heating system with digital controls, ensuring comfort in any weather. The cabins are finished with Amtico flooring, known for its durability and style, and include a stainless soaking sink for added convenience. These crew cabins are thoughtfully designed to cater to the needs of the crew, offering a perfect blend of practicality and comfort.

## Crew compartment

---

The crew compartment on this yacht is meticulously crafted to offer a comfortable and efficient living environment for the crew. At the heart of this area is the crew galley, equipped with a cooktop and oven, facilitating easy

meal preparation. A stainless country sink adds a touch of elegance and practicality, while the Bosch refrigerator/freezer ensures that fresh and frozen provisions are always available. The galley is further enhanced by a microwave and dishwasher, making meal preparation and cleanup both convenient and efficient.

Solid surface countertops provide a durable and stylish workspace, and the built-in seating with a hi-lo dropleaf table offers a versatile area for dining and socializing. For entertainment, a 49" flat screen HD TV is mounted on a lift, allowing it to be neatly stowed away when not in use.

The crew compartment also includes walk-in dry stores, providing ample space for storing non-perishable goods and supplies. The flooring is finished with Amtico, known for its durability and aesthetic appeal, ensuring that the space is both functional and inviting. This crew compartment is designed to cater to the needs of the crew, offering a perfect blend of practicality and comfort.

## Laundry room

---

The laundry room on this yacht is expertly designed to meet all your laundry requirements with ease and efficiency. It is equipped with dual-stacked high-capacity washers and dryers, ensuring that even large loads are handled effortlessly. This arrangement allows for swift and effective laundering, making it perfect for long journeys where laundry needs may accumulate.

Beyond the washing and drying facilities, the laundry room provides extensive storage space, offering ample room for detergents, fabric softeners, and other laundry essentials. There is also a dedicated area for ironing, ensuring that clothes can be pressed and ready to wear at any time. This laundry room is thoughtfully designed to deliver a seamless and convenient laundry experience, catering to the needs of both the crew and guests.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
