OVERVIEW

M/Y EVA is a sophisticated 33m (108ft) Trideck classic, exuding elegance and charm. Crafted in 1992 by the renowned Cheoy Lee Shipyards, this exquisite displacement yacht has undergone a comprehensive refit between 2022 and 2023. The dedicated yacht owner, with a wealth of experience, replaced nearly 80% of her machinery, including main engines, generators, and air-conditioning systems. The interior has been completely transformed, showcasing a refined blend of polished stainless steel, rich wood accents, and luxurious carpets and upholstery. This yacht for sale is a true gem in the current boat location, making it an exceptional opportunity for those looking to buy a yacht. Explore the yacht sales in the current boat location and discover the elegance of M/Y EVA.

DETAILED DESCRIPTION

Section name

M/Y EVA offers impressive interior volumes with a total of 224GT, featuring a very spacious and cozy main salon with a fully equipped bar and a large dining table, as well as an intimate upper salon with a big TV screen and comfy sofas. She can accommodate 16 guests in 5 very large luxury cabins, including a full beam master on the main deck, complete with a shower and bathtub. On the lower deck, you will find 2 VIP cabins with twin beds and another VIP cabin with a double bed. All her interior areas elegantly combine the original classic style with a new warm and modern design. Her galley is conveniently located on the main deck and is fully equipped with large ovens, a modern stove, and hosts two enormous fridges and freezers. She has a crew of 5, who sleep in 3 comfortable cabins on the lower deck, with a large crew mess featuring additional fridges and practical storage areas. A laundry room with a washing machine and dryer completes the forward part of the lower deck.

Following an extensive two-year refit and her recent launch, M/Y EVA is now sailing under the Madeira flag registry and is offered for charters departing from her permanent berth in Cannes, cruising the French and Italian Riviera and the stunning islands of Corsica and Sardinia. She is authorized to welcome up to 35 guests for short coastal navigations. M/Y EVA owns a separately registered 7.5m RIB tender with a powerful 250hp outboard engine, which can take up to 18 guests and is the perfect boat to pull out water-skiers or wakeboarders or to tow inflatable buoys and tubings. For more safety and crew convenience, there is also a 3.5m Avon jet tender located on the aft upper deck with a strong hydraulic crane to easily launch it, along with the 3-seater jet ski Seadoo Spark and the 2 "Seabob type" ALTIVS APX. Among the many other toys, you will find 2 sea kayaks, 2 stand-up paddles, a big inflatable

raft, and snorkeling equipment for all guests.

M/Y EVA is also a very seaworthy ship, and her low fuel consumption, allied with her 35,000 Liters (9,246 US Gallons) tanks, allows her to undertake long-range navigations. This unique and unmissable classic yacht is now presented in excellent condition, fully equipped, and benefits from an EU VAT Paid status.

Disclaimer

The company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents or surveyors to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice. It is important to note that any vessel not flagged in the U.S. and without U.S. duties paid cannot be offered for sale to U.S. residents while in U.S. waters.

Tenders and toys

The yacht is equipped with an impressive array of tenders and toys to enhance your maritime adventures. At the forefront is the Chase Boat Zodiac Medline, measuring 7.5 meters and powered by a robust 250hp Suzuki engine, ensuring swift and smooth transfers or explorations. Complementing this is the 3.2-meter Avon tender, featuring a Jetprop engine for agile maneuvering. For those seeking thrills on the water, the Jet Ski Seadoo Spark offers a three-seater configuration, perfect for exhilarating rides. Additionally, the yacht includes two Seabob devices, specifically the ALTIVS APX models, providing an exciting way to explore beneath the waves. For more leisurely pursuits, there are two sea kayaks available, along with paddles and a raft, allowing guests to enjoy serene paddling or a relaxing float on the water.

Key features

This yacht boasts an array of key features that set it apart in the world of luxury maritime experiences. Following an extensive refit, the vessel now includes 80% new machinery and a completely redesigned interior, ensuring modern comfort and reliability. The impressive interior volume of 224 GT provides ample space for relaxation and entertainment. Accommodations include four enormous luxury cabins, each with its own ensuite bathroom, offering privacy and opulence for all guests. The yacht's deck spaces are exceptionally vast, featuring numerous sunbeds for lounging and a jacuzzi for ultimate relaxation. With low engine hours and maintained in excellent condition, this yacht promises a seamless and enjoyable voyage for all aboard.

Technical refit details 2021-2023 (18 months)

Over an intensive 18-month period from 2021 to 2023, the yacht underwent a comprehensive technical refit that has significantly enhanced its functionality and comfort. The main kitchen was completely replaced, including all appliances, ensuring a modern culinary experience. All toilets were updated, and both water heaters were replaced with the addition of a third, alongside a new hot water circulation pump. The fire pump, drainage pump, steering pump, and diesel transfer pump were all replaced, as well as two fresh water pumps and two jacuzzi pumps. A new main transformer and water maker were installed, and the air conditioning unit was upgraded along with four fan coils. A service battery bank was created, and the fire suppression system (FM200) was replaced. The electric motor for machine ventilation and three battery chargers were also updated. Two Kohler generators were installed in coupling, providing 17 kVA and 35 kVA, and the air compressor was replaced. The two main engines received new long blocks, and a hydraulic system for the bow thruster and windlass was installed. Three electric motor controls (ZF) were

added, and the main 220V/380V electrical panel in the engine room was completely replaced. All sea water valves below the waterline were replaced, and two ice makers were installed. A new laundry room was created, equipped with two washing machines and two dryers. The sounder and radar (ICOM) were replaced, as well as the satellite TV antenna (Glomex). The anchor chains, measuring 120 meters with a diameter of 16mm, were replaced, and a video surveillance system with four cameras was installed. A double sunbathing area was created at the front, and a hatch access to the flybridge was added. The crane (Opacmare) was replaced, and all exterior upholstery was completely renewed. Both interior and exterior furniture were refurbished, and all switches and electrical outlets were replaced. The ceiling and lighting in the guest area were updated, and all faucets were replaced. New showers were installed in all guest cabins, and all carpets were replaced with new parquet flooring. Entertainment was enhanced with the installation of two LG TVs and one SONY TV, and the sound system in the salon was upgraded to a Cabasse system with a Yamaha amplifier.

Interior refit details & stern extension 2023-2024 (8 months)

During an 8-month period from 2023 to 2024, the yacht underwent significant interior refit and stern extension, enhancing both its functionality and luxury. The stern of the yacht was extended by 1.65 meters, from the aft deck to the hull bottom, providing additional space and storage with large lockers added on both the port and starboard sides. The swim platform was also extended by 1.5 meters, resulting in a total length of 2.85 meters, and was fitted with a new teak deck. Teak stairs were installed from the aft deck to the swim platform on the starboard side, and a new hydraulic and telescopic gangway was added on the port side. The entire stern and swim platform received a fresh coat of paint.

Inside, the main saloon was redesigned with new wall panels, and the master cabin on the main deck was extended by an additional 5 square meters. The master cabin now features a new design, including a very large wardrobe, and the master's bathroom was expanded by 2 square meters. The bathroom now boasts a large shower, a long bathtub, and separate toilets. New TV sets were installed in all cabins and in the master's bathroom. A full beam VIP cabin was transformed into two double cabins, each with an additional Pullman bed, and two Pullman beds were installed in the twin cabin. The very large remaining VIP cabin on the lower deck was also refurbished, ensuring a luxurious experience for all guests.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide.
