DETAILED DESCRIPTION

Refit

The MY DXB 35m underwent an extensive refit from 2021 to 2022, transforming both its interior and exterior to offer unparalleled luxury and modernity. Inside, the yacht boasts new ceilings and flooring, featuring exquisite marble and plush carpets. The cabins have been adorned with fresh fabrics, and the main and upper salons, along with the master cabin, now feature new electrical blinds. The lighting, curtains, and AV systems have been automated for ease of use, while new furniture, including sofas, tables, and chairs, enhances the comfort and style of the living spaces. The crew area has been fully refurbished, with updates to paint, varnishes, mattresses, bathrooms, and the galley seating area. A new Miele cooktop has been installed in the galley, complemented by an additional dishwasher in the upper salon. Art pieces now grace the salons, corridors, and cabins, and new TVs have been installed in the two salons and all cabins. Insulation foam has been added inside bulkheads, technical lockers, and bilges, while bar tops have been upgraded with new marble. The entire interior design has been reviewed and refreshed, and the wheelhouse's electronics have been updated. A new surround sound system completes the interior transformation.

Externally, the yacht has received a full paint job on both the hull and superstructure. The sundeck, bow area, swim platform, and jacuzzi perimeter now feature new teak, with full recaulking and sanding of the teak deck. Step lights have been converted from spotlights to hidden LED strip lights, and new ceiling and courtesy lighting have been installed. All decks have been fitted with new upholstery, and the upper deck now includes an extendable dining table and seating area. Stainless-steel items have been polished to a shine, and new outdoor furniture adds to the yacht's allure. A new CCTV system and an IP

camera in the stern enhance security, while a new sun awning provides shade. For water enthusiasts, a new Seabob F5S is available for use.

Under the hull, a new depth sounder transducer has been installed, along with new sea lights for underwater illumination. The hull bottom has been fully sanded, with the application of primer, primer antifouling, and antifouling to ensure optimal performance and protection. This comprehensive refit ensures that the MY DXB 35m is not only visually stunning but also equipped with the latest technology and amenities for an exceptional yachting experience.
