RASCAL, a 35-metre Sunseeker superyacht for sale, embodies contemporary life at sea with a clean, athletic silhouette that pairs exhilarating performance with an unmistakable luxury motor yacht presence. Equally at home on spirited passages or languid days at anchor, she balances scale and sophistication to define the modern flybridge superyacht.

Every space has been carefully shaped to increase volume, comfort and poise, producing an effortless onboard lifestyle for private ownership throughout Australia and the South Pacific. This bluewater-ready, planing motor yacht carries Sunseeker pedigree into refined detailing, creating an inviting platform for coastal cruising and longer escapes.

Designed for up to ten guests, the five-cabin layout is both generous and adaptable. A full-beam owner's suite occupies the main deck, while two roomy VIP staterooms and two convertible twin cabins offer the flexibility families and friends require. The arrangement yields a harmonious balance between private retreats and glamorous entertaining.

Outdoor living is a defining feature of RASCAL. The expansive flybridge is appointed with a jacuzzi for twilight soaks, a sociable bar and shaded dining beneath a hardtop. Forward, the oversized foredeck sunpads welcome slow afternoons with sweeping views, and the aft deck opens seamlessly to the saloon to frame an ideal setting for alfresco dining and relaxed lounging, reinforcing her identity as a luxury yacht conceived for open-air life.

Interior spaces are calm and contemporary, with panoramic glazing bathing the main saloon and formal dining area in natural light and drawing the ocean into every gathering. A soft, neutral palette and refined architectural lines showcase fine craftsmanship and create a serene backdrop for everything from quiet mornings at anchor to candlelit dinners underway.

For adventure, RASCAL carries a full complement of tenders and water toys,

ensuring the water is always within reach whether seeking high-speed thrills or gentle paddles in a sheltered bay. The generous swim platform simplifies sea access and doubles as a waterside terrace, further enhancing her appeal as a family-friendly superyacht.

Performance is indelibly Sunseeker. Twin MTU engines provide a comfortable 20-knot cruising speed and a top end approaching 26 knots, ideal for quick island hops and spontaneous weekend getaways. Advanced stabilisation delivers composed passages and calm comfort at anchor, confirming her credentials as a capable performance motor yacht.
