OVERVIEW

Launched in 2006, M/Y GINGER exemplifies the luxurious and high-performance Pershing 115 series. After a comprehensive refit at Dunya Yachts in Turkey, this yacht for sale has been significantly enhanced. The upgrades include a full hull and superstructure repaint, new exterior upholstery and deck furniture, aft underwater lights, and new carpets, interior fabrics, and leatherwork. A state-of-the-art entertainment system has also been integrated. The engines and all related systems have been thoroughly overhauled, presenting a unique chance to buy a yacht that is fully modernized. Maintaining her original sleek design, M/Y GINGER features multiple deck spaces and a contemporary interior, now with advanced electronics and a top speed of 35 knots. From the aft deck seating to the foredeck sunpads, she offers privacy at the dock and excellent airflow at anchor. The sundeck is equipped with four fixed sun loungers, while the new teak dining table on the aft deck is perfect for alfresco dining. For more intimate gatherings, the foredeck dining area provides additional seating with stunning views. Inside, the main saloon boasts a port-side sofa and Eames chairs to starboard, with oak flooring, a black horsehair deckhead, grey sycamore blinds, and carbon fiber accents. A TV is mounted in a divider at the front of the saloon, concealing the helm station. The lower saloon has been transformed into a media and cinema room, featuring a woven leather aft bulkhead and natural fiber carpeting. The full-beam master suite amidships includes his-and-hers bathrooms, seating areas, and a high-spec entertainment system, with vertical hull windows offering natural light and sea views at speed. The forward VIP cabin features an angled double bed, walk-in wardrobe, curved seating, and an en suite bathroom. A second guest cabin includes an en suite, a standard berth, and a Pullman berth. During the refit, M/Y GINGER's entertainment systems were completely replaced. A 60-inch screen descends in the main saloon, while the lower media room boasts a

65-inch 3D TV. The Apple TV system operates on a Crestron backbone, controlled via iPad Minis. Exterior entertainment systems were also upgraded with new speakers and TVs. Completing this exceptional yacht sale package, she comes with a Williams 445 Jet tender. Her performance and extensive upgrades make M/Y GINGER a standout in yacht sales in the current boat location, representing one of the finest Pershing 115 models available today.
