## OVERVIEW

---

M/Y CAN'T REMEMBER is a captivating 35.6m Tecnomar superyacht, announced by a distinctive deep green hull and a razor sleek profile, freshly transformed by a comprehensive 2025 refit that renders her fully turn key and ready for immediate cruising. She pairs lively performance with calm, refined interiors and expansive open air relaxation areas, making her equally compelling as a luxury motor yacht, a performance yacht, or a charter yacht. The yacht's refreshed systems and heightened detailing underscore her blue water readiness, while her Italian build and polished presentation offer both solid value and attractive earning potential.

Inside, the main salon is airy and contemporary, defined by sweeping picture windows that flood the space with light, and a chic black partition that subtly separates the lounge from the formal dining area without blocking the view. Exceptionally flexible for a boat of this length, she sleeps up to 12 guests in six en suite staterooms, a layout elegantly reimaged by Diarchon Architects to promote effortless living. Supported by a seasoned crew of seven, M/Y CAN'T REMEMBER emerges as an elegant sport yacht that balances style, comfort, and capability for private ownership or high end charter.

## DETAILED DESCRIPTION

---

### Accommodations

---

On board M/Y Can't Remember, twelve guests are accommodated in six cabins, each with private en-suite facilities. The master cabin features a king-size bed, a vanity desk and a sofa, with an indulgent bathroom appointed with a jacuzzi and a double shower. A serene VIP cabin offers a queen-size bed and a vanity desk. Two versatile double cabins are fitted with queen-size beds that convert to a twin configuration, each also providing an additional Pullman berth. A flexible twin cabin presents single beds that convert to a generous king-size double measuring 2.30 × 2.00 m, plus one Pullman. Completing the layout, a twin cabin/playroom is arranged with bunk beds.

### Navigation and communication equipment

---

The bridge is equipped with a compass, a Navicontrol AP 3003 Gold autopilot, a Raymarine 120 GPS plotter, Navtex and a Furuno radar. Communications are handled by two Shipmate VHF units, while propulsion interfaces through a ZF V Drive gearbox for assured control and reliability.

### Additional information

---

Stabilizers both underway and at anchor deliver remarkable comfort, enhancing poise and tranquility whether the yacht is cruising or resting.

### Audio & visual equipment

---

Entertainment flows throughout the yacht, with LCD Smart TVs, DVD, CD and radio in every cabin, the saloon and the aft deck, complemented by iPads in all

cabins and a home theatre in the saloon. A comprehensive sound system blankets every area and connects effortlessly to personal devices, serving Netflix, Cosmote TV and EON TV alongside a rich Spotify library of movies and songs. Outdoor living is equally considered with a sundeck BBQ, an extended swimming platform and two expansive sunbathing areas at the bow and on the sundeck. Connectivity is assured with 5G GSM internet access and Wi-Fi.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
