OVERVIEW

The Tribale 120 Granturismo is a masterful motor yacht from Tribale Yachts, a 2025 expression of the builder's unwavering pursuit of excellence and meticulous craftsmanship. Stretching to 35.7 meters (117 feet 2 inches), this vessel marries timeless refinement with contemporary engineering, its very dimensions announcing a presence that is both commanding and elegantly proportioned.

From afar the yacht's silhouette reads as a study in aerodynamic refinement: a streamlined profile that fuses form and function so seamlessly the hull seems to suggest motion even at rest. The dazzling finish of the hull and the balanced lines of the superstructure confer an understated opulence, a visual grace that hints at the performance and poise beneath the skin.

Boarding reveals interiors conceived with the same exacting attention to detail. Rich woods, polished metals and plush fabrics are composed with restraint and taste, while soft, ambient lighting sculpts the spaces and invites quiet conviviality. The main saloon is arranged as an open-concept living area that feels both expansive and intimate, a place where contemporary entertainment systems and sumptuous seating combine to promise hours of relaxed enjoyment.

Adjacent, the dining area strikes a serene equilibrium between formal and intimate, an elegant prosody to the social life aboard. Throughout the vessel, spacious staterooms provide private sanctuaries, each suite carrying its own character yet remaining harmoniously unified by a language of sophistication. High-end amenities and state-of-the-art entertainment systems in every suite elevate comfort to an assured luxury.

The Tribale 120 Granturismo's engineering is as considered as its design. Built with exceptional structural integrity and an advanced propulsion system, the yacht delivers invigorating performance: powerful engines that produce

impressive peak speeds while operating with quiet refinement and minimal vibration, ensuring serene passages for guests and crew alike. Complementing the propulsion are advanced navigational and safety systems that are comprehensive yet intuitive, offering confidence and ease of operation on every voyage.

Outside, the deck unfolds as an invitation to leisure, providing ample space for guests to relax, sunbathe or simply drink in panoramic sea views. Social areas are thoughtfully appointed, including an integrated barbecue area and an outdoor bar, which together foster al fresco entertainment and convivial gatherings beneath the sky.

This motor yacht embodies the design intelligence and forward-looking spirit of its year, 2025, while upholding the standards long associated with Tribale Yachts. Each voyage aboard the Tribale 120 Granturismo promises an experience defined by comfort, elegance and the pure delight of refined seafaring.

More than a vessel, the Tribale 120 Granturismo is a floating mansion—an invitation to opulent sea adventures that celebrates human ingenuity and passion for marine design. Explore yacht sales in the current boat location and seize the opportunity to buy a yacht that redefines luxury on the water.
