DETAILED DESCRIPTION

Overview

The AZZURRA CUSTOM PLATFORM 36M stands among the largest in her class at 350 GT, delivering amenities more often reserved for fifty metre plus superyachts. As Hull No. 2 of the series, she uniquely pairs shortened delivery time with full, uncompromising customization. A flexible general arrangement accommodates up to six guest staterooms, highlighted by a full beam Master Suite on the main deck complete with a private office and complemented by an elevator serving all decks. The bright main salon, framed by full height windows and sliding doors, dissolves the boundaries between interior and exterior, while side balconies on the aft main deck fold out to create a floating terrace with a sweeping one hundred eighty degree vista. The upper deck can be configured as a private Owner's deck or a versatile skylounge, and there is also the option to add a second master stateroom with its own fully private upper deck. Engineered for long range cruising with low fuel consumption and excellent stability, the AZZURRA CUSTOM PLATFORM 36M promises extraordinary comfort and autonomy at sea. Offered at €15,500,000, she represents a rare opportunity for immediate delivery infused with Tureddi's renowned craftsmanship and bespoke customization.
