OVERVIEW

Indulge in refined luxury and exhilarating capability aboard this striking 2022 Mulder 36m motor yacht. Crafted in lightweight aluminum for superb efficiency and driven by twin Caterpillar powerplants, she is hull #5 of the acclaimed Mulder 36m superyacht series. Designed to host up to 10 guests across 5 serene staterooms, highlighted by a full-beam owner's suite, she radiates modern elegance. Expansive exterior lounging, a sun deck with Jacuzzi, an inviting beach club, and contemporary amenities throughout make her ideal for bluewater passages or premium charter.

Distinct within the range, Solemates features both zero-speed fins and gyro stabilizers, delivering exceptional poise and comfort at anchor and underway.

DETAILED DESCRIPTION

Solemates

Solemates, the 118-foot motor yacht built by Mulder Shipyard in 2022, combines striking aesthetics with purposeful engineering. Constructed on a fast-displacement aluminum hull with a 26' 3" beam, she presents a sleek silhouette and delivers a total volume of 296 GT, granting generous accommodations across two decks.

Her elegant lines and straight bow enhance both performance and interior volume, while the expansive two-and-a-half deck design maximizes outdoor living for relaxation and entertaining. The spacious main aft deck flows to a luxurious sun deck featuring a spa pool, bar, and retractable TV, and the beach club, garage with a Williams 625 tender, and large swim platform make enjoying the water effortless.

Inside, a rich palette of oak and teak is elevated by vibrant artwork, including iconic Andy Warhol prints. The open-plan main deck seamlessly integrates living and dining areas with a sit-at bar and a balcony for alfresco dining, and advanced technology—such as iPad-controlled entertainment and ambient settings—underscores modern luxury throughout.

Accommodating 10 guests in 5 luxurious cabins, including a main-deck owner's suite, Solemates is designed for comfort and privacy, with flexible guest cabins and well-appointed crew quarters ensuring the highest standards of service.

Powered by twin Caterpillar C18 engines, she cruises comfortably at 12 knots and reaches a top speed of 18 knots. Her impressive range and robust design allow extended transatlantic voyages and unrestricted navigation while meeting the highest safety standards.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.

For more information and to view available yachts, you can visit the company's official website: <https://shestakovyachtsales.com>
