## OVERVIEW

---

Evoking Benetti's famed motopanfilo motor yachts of the 1960s and 1970s, this opulent superyacht collection embodies the enduring elegance cherished by luminaries—David Bowie among them—and by royalty such as Monaco's Prince Rainier; a true classic motor-yacht lineage.

# DETAILED DESCRIPTION

---

## Detailed description

---

EH<sup>2</sup>, a 2022 Benetti Motopanfilo 37M, fuses the golden-age allure of the 1960s with today's most advanced shipbuilding, presenting a graceful three-deck silhouette that feels both sophisticated and nostalgically cinematic. Generous interior and exterior volumes invite effortless entertaining and unhurried relaxation, accommodating up to ten guests in five luxurious staterooms while offering modern amenities, zero-speed stabilisers and true long-range capability that make her equally at home on coastal cruises or ocean-spanning passages. The exterior language marries sleek curves with expansive deckscapes, drawing direct inspiration from Benetti's classic navetta yachts of the 1960s; a beautifully integrated beach club flows to a stern swim platform for immediate sea access, while an observation deck and a jacuzzi provide serene vantage points for panoramic views at anchor or underway. Built in fiberglass and composite as a semi-custom yacht, EH<sup>2</sup> respectfully references the iconic Benettis of old with refined details, including bronze fashion plates that elegantly accent the superstructure. Performance is purposeful and poised, with twin MAN diesel engines delivering a top speed of 16.0 knots and a comfortable cruising speed of 15.0 knots, while an impressive range of 3,800 nautical miles at 11 knots unlocks far horizons. Her 37-metre tri-deck architecture delivers a 7.8 m beam and 297 GT of volume, optimised for comfort and seakeeping, and a professional crew of seven attends to every need. Commercially registered and charter compliant, she pairs pedigree with proven reliability, a status further underscored by a successful charter record. On the Sun Deck a sculptural, piano-shaped sunbed with side tables replaces conventional loungers to create a signature lounge ensemble complemented by a fully equipped bar and a round dining table with a Lazy Susan for convivial

service, while at water level the beach club features an upgraded bar cabinet that can be manually extracted to form a practical bar shelf and stainless steel showers on the stern platform add comfort after a dip. Inside, Rome-based Lazzarini & Pickering Architects have composed a serene, seaworthy ambience where light and line take centre stage: oversized windows and artful mirrors draw the seascape indoors and maintain a constant connection to the horizon, the main saloon and dining area feel contemporary yet warmly welcoming with twin rounded sofas arranged to encourage conversation and frame uninterrupted views, and the master suite and guest cabins are finished in exquisite materials that balance style with privacy. State-of-the-art entertainment systems and an efficient, guest-centric layout make EH<sup>2</sup> an inspired choice for extended voyages, and a curated collection of water toys — including an electric hydrofoil board, a tender and a jet ski — completes the experience with endless enjoyment on the water.
