OVERVIEW

The YCM120 presents exterior styling by Studio Vallicelli Design combined with naval architecture by ISA Yachts, and is constructed in GRP for both hull and superstructure, delivering a refined and cohesive profile. Designed to accommodate up to 10 guests with a crew of 5, this superyacht pairs generous living spaces with an efficient layout for effortless entertaining and prolonged comfort aboard. Driven by triple MTU powerplants, the YCM120 reaches a top speed of 27 knots and, with a 22,000 liter fuel capacity, provides the performance and range suited to extended cruising.

DETAILED DESCRIPTION

Highlights

Powered by three MTU 2000 M91 engines, this yacht attains a maximum speed of 27 knots, while a CMC zero speed electric fin stabilizer delivers exceptional comfort both at anchor and underway. Built to RINA class for added confidence and pedigree, she is supplied with an extensive assortment of toys included to elevate every adventure on the water.

Toys

A carefully curated assortment of water toys elevates onboard leisure, featuring two Seadoo Spark jet skis alongside two Sea bob water scooters. Newly added for 2026 is an inflatable water trampoline, and an inflatable Party Bana floating beach club offers seating for twelve for convivial days afloat. Paddle excursions are accommodated with two inflatable paddle boards 106 and two inflatable paddle boards 116, while tow-sport enthusiasts will find two wakeboards (one small, one large), one set of adult water skis, one set of child water skis and a wake surfer. Underwater discovery is well supplied with snorkeling gear and fins for both adults and children, and wetsuits for adults and children ensure comfort in varying conditions. The collection is completed by a set of twenty-foot inflatable quays, a generous selection of inflatables including donut, sofa and disc styles, and a selection of fishing rods.
