## OVERVIEW

---

Bold Sunseeker pedigree meets effortless performance aboard this 121-foot luxury motor yacht, launched in 2009 and currently lying in the United States. Designed and styled inside and out by Sunseeker, her semi-displacement GRP/fiberglass construction delivers the best of both worlds: poised, bluewater capability with the quiet comfort and refinement expected of a modern superyacht.

Step into a light-filled main salon framed by panoramic windows and elegant bespoke joinery. A formal dining area invites lingering dinners, while the seamless flow to the aft deck makes alfresco entertaining second nature. Multiple exterior lounges create distinct moments throughout the day—from a sun-drenched foredeck retreat to an inviting upper deck ideal for cocktails at sunset.

Accommodations are arranged for up to 10 guests, with serene, beautifully appointed staterooms complemented by tastefully finished bathrooms. Discreet service is assured by well-planned crew quarters for up to five across three cabins, enabling a truly private, resort-caliber onboard experience. Throughout, the craftsmanship and materials speak to enduring quality: sophisticated textures, rich veneers, and an attention to detail that elevates every touchpoint.

Powered by twin MTU diesel engines, this Sunseeker cruises comfortably at 11 knots and sprints to approximately 20 knots when desired, balancing relaxed passage-making with spirited performance. The Sunseeker-designed semi-displacement hull provides confidence-inspiring seakeeping and efficient underway comfort, while the wide footprint enhances stability and onboard volume for long-range cruising.

Entertaining is effortless thanks to generous deck spaces that accommodate casual family time as well as formal gatherings. A well-equipped galley

supports gourmet provisioning, and ample storage is available for tenders and watersports gear to enrich days at anchor. Whether exploring secluded coves or arriving in style at a favorite marina, she embodies the versatility and elegance that define the modern superyacht experience.

A compelling opportunity for those seeking a Sunseeker of notable length and presence, this 121-foot vessel presents as an ideal private retreat and a standout Luxury Motor Yacht for sophisticated coastal and bluewater itineraries. With her Sunseeker design heritage, semi-displacement GRP hull, twin MTU diesels, and thoughtful guest-to-crew ratio, she delivers the hallmarks of a world-class Superyacht—poised, polished, and ready for her next chapter.

Keywords: Superyacht, Luxury Motor Yacht, Motor Yacht, Semi-Displacement, GRP, Fiberglass, Sunseeker, Bluewater Cruiser, Diesel, MTU.

## Overview

---

NATURAL 9 is a thirty-seven-meter Sunseeker luxury motor yacht that blends performance with elegant, timeless styling and a proven reputation for reliability. She offers expansive living spaces, including a luminous main salon, generous accommodations for up to ten guests in five cabins, and multiple outdoor areas thoughtfully arranged for both entertaining and quiet relaxation. Built by a pedigree shipyard, she feels refined and welcoming the moment you step aboard.

Powered for performance yet tuned for comfort, she delivers an exhilarating cruising experience while maintaining the sophistication expected of a Sunseeker. With a proven layout, a sleek profile, and enduring appeal, NATURAL 9 stands out in her size and class—an exceptional opportunity for buyers seeking a Sunseeker superyacht that balances style, space, and capability.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
