## OVERVIEW

---

Horizon RP120. Please note this entry reflects a model specification for a new build and not a current hull on the market; for details on this model and build availability, please inquire. The Horizon RP120 luxury superyacht harmonizes the most coveted qualities in a raised pilothouse motor yacht: indulgent interior volumes and exceptional bluewater cruising prowess. Her refined, contemporary profile by designer J.C. Espinosa crowns Horizon's acclaimed low-resistance hull form, delivering outstanding seakeeping and a supremely quiet, comfortable ride underway. Benefiting from a generous 25-foot beam and thoughtfully arranged accommodations, the RP120 affords expansive living areas, with flexibility for an on-deck owner's suite or all staterooms below—your layout is limited only by imagination. With abundant indoor-outdoor amenities, a commanding flybridge/sky lounge, and assured performance, the RP120 promises an unforgettable yachting experience, whether island-hopping or passagemaking, wherever your journeys may lead, near and far.
