OVERVIEW

Chanson is an elegant 120-foot, three-deck motor yacht, built to ABS classification by Christensen in 1995. Her generous beam creates expansive, airy lounges on both the main and bridge decks, while full walk-around side decks provide effortless circulation around the vessel. Accommodation is arranged in four staterooms, highlighted by an on-deck VIP and a full-beam owner's suite located below, and a voluminous salon and dining area that flow to a semi-enclosed aft deck whose seating gazes over the cockpit. On the bridge deck the pilothouse is followed aft by the captain's cabin, complemented by a skylounge and a fully appointed wet bar adjacent to the boat deck. A sun deck crowns the yacht with additional seating and a large spa hot tub.

DETAILED DESCRIPTION

Overview

Chanson is a large volume 120' tri deck motor yacht built to ABS standards by Christensen Shipyard in 1995, her wide beam gifting the main and upper decks with expansive living areas and true walk around side decks that combine gracious circulation with generous interior volume. The yacht's flexible four stateroom arrangement is crowned by an on deck VIP guest suite and anchored by a full beam master stateroom on the lower level, while a queen and a twin guest cabin expand accommodation to sleep up to nine guests in refined comfort. Aft of the generous salon and formal dining, a semi enclosed aft deck overlooks the cockpit and adapts effortlessly to weather with a three sided adjustable enclosure and options for chilled air or heat, and above, the upper deck places a captain's suite just aft of the pilothouse with a skylounge and full wet bar forward of the boat deck, while the expansive flybridge invites open air respite with abundant seating and a large hot tub. The main deck foyer, entered from starboard, is set off by custom inlaid marble with a teak border that ushers guests aft to a bright salon framed by light maple joinery and panoramic windows, where formal dining leads the eye forward and indoor entertaining flows seamlessly to oversized exterior spaces including a lower aft deck, a spacious boat deck and a flybridge appointed with a Jacuzzi, bar and generous sun lounges; indoors, the skylounge provides a serene retreat with plush seating, a complete wet bar with refrigerator, icemaker and dedicated wine storage to match the yacht's pedigree as an elegant, long range entertainer.

Salon

The main salon exudes comfortably elegant ease, where large windows, light

wood tones and tasteful furnishings amplify the sense of space and open sightlines carry effortlessly into the dining area to create an inviting flow for guests. Clear maple joinery with birds eye door frames, refinished in 2022, provides a luminous backdrop for a new custom upholstered L shaped sectional sofa installed in December 2025 and two oversized upholstered chairs, while a central mahogany cocktail table with four pull out ottomans anchors the seating plan and is balanced aft by a mahogany console cabinet, an end table and two decorative lamps. Built in buffets to port and starboard present onyx surfaces and custom lofted storage mirrored by a centerline buffet with lofted storage, and a mahogany oval dining table on a double pedestal base is surrounded by ten mahogany framed dining chairs with custom upholstery for formal entertaining. Overhead, custom paneling with double light fixtures and a refreshed headliner throughout, completed in 2023, blends with oversized windows framed by raised panels, Custom Hunter Douglas blinds and a Lit Touch low voltage LED lighting system that bathes the space in warm, adjustable illumination. Entertainment is anchored by a Samsung Smart 55" OLED Frame TV and Denon receiver, climate comfort is assured by three custom air handlers and new custom carpeting throughout added in 2025, and the starboard foyer presents inlaid marble flooring with a teak border and a graceful spiral staircase to the skylounge and lower deck, accompanied by a refined day head finished with marble flooring, an onyx vanity top, sink, custom wallcovering and mirror.

Galley

Purpose designed for serious culinary service, the galley is equipped to support professional provisioning and service with a Sub Zero refrigerator/freezer paired with a Beverage Air three compartment refrigerator and an additional Sub Zero undercounter refrigerator for seamless cold storage. Cooking capabilities include a Bosch five burner

induction ceramic cooktop installed in 2018, a Bosch double oven added in 2023, a Gaggenau four burner cooktop with grill, an Amena oven and a Magic Chef microwave, all vented under an efficient extractor hood, while a center island with overhead storage and granite countertops provides generous work surfaces. Operational comfort is maintained by a dedicated galley air handler installed in 2018 and cleaning is made effortless by a Kenmore dishwasher, ensuring the galley performs as beautifully as it presents.

Master stateroom

Forward on the lower level, the opulent full beam master stateroom indulges with a king size berth fitted with a Sealy mattress and storage below, layered with custom linens and grounded by new carpet installed in November 2025, while upholstered bulkhead panels with dual reading lights and glass shelving frame the berth to port and starboard. The suite features built in nightstands on both sides, extensive built in dresser drawers and a starboard built in upholstered settee, with entertainment discreetly integrated via a Samsung 40" LED TV, DVD player and Yamaha receiver. Cedar lined walk in closets with automatic lights and overhead recessed lighting complete the serene ambiance, and the ensuite His and Her baths to port and starboard present onyx vanity tops; to port an onyx/marble shower with a jetted bathtub, custom Phylrich faucets and fixtures throughout, two Kohler heads, an overhead smoke detector and marble flooring underscore the suite's lavish finish.

Vip guest stateroom - on deck

Forward along the starboard side of the main deck, the VIP guest stateroom offers near parity with the master, centered on a king berth with a Sealy mattress and storage below, dressed in custom linens and set upon new carpet laid in November 2025, while an upholstered headboard is flanked by

two built in nightstands with onyx surfaces. Built in dresser drawers and a vanity to port and a built in upholstered settee to starboard expand functionality, and entertainment is provided via a Samsung 55" TV, Samsung DVD and Yamaha receiver. Fresh wallcoverings added in 2021 complement a cedar lined closet with automatic light, portlights to port and starboard and overhead recessed lighting, and the private bath features a marble onyx vanity with Phylrich faucets, a full shower with tub, new wallcoverings and marble flooring for a thoroughly indulgent experience.

Queen and twin guest stateroom

This flexible guest retreat combines a queen berth and a twin berth, both dressed in custom linens and set on new carpet installed in November 2025, with a centerline nightstand with two drawers between them and built in dresser drawers and a cedar lined closet with automatic light to support extended cruising. New custom wallcoverings added in 2021 pair with a bespoke window treatment featuring a Roman pleated shade, while the private bath is refined with an onyx vanity top, a Phylrich faucet, a full shower with a glass enclosure, a Kohler head and marble flooring.

Twin guest stateroom

Perfect for families or friends, the twin guest stateroom features twin berths dressed in custom linens over new carpet fitted in November 2025, abundant drawer storage and a centerline nightstand with a drawer, while a cedar lined closet with automatic light, neutral wallcoverings, a Samsung TV, a smoke detector and a custom window treatment with a Roman pleated shade complete the cabin. The private bath elevates the experience with dual onyx vanities, sconce lighting, a frameless glass shower enclosure, a Jacuzzi tub, a Kohler toilet and marble flooring.

Skylounge

The skylounge is a chic sanctuary anchored by a new walk up bar added in 2022, its marble top and sink paired with three leather bar stools, new stone flooring and a matching stone bar top, plus an Avanti undercounter refrigerator, a Max Ice icemaker and a new wine cooler installed that same year. Lounging flows across an L shaped upholstered sectional with storage below, a swivel chair with ottoman and a large leather ottoman/table with tray, all set on new carpet laid in November 2025, and entertainment is delivered via a Samsung 46" Smart OLED TV, DVD player and Yamaha receiver while a convenient day head stands ready for guests. Floor to ceiling glass opens to the upper boat deck through a dedicated door, and new headliner and wallcoverings installed in 2022 complete the refined ambiance.

Pilothouse

The pilothouse is command ready with three Stidd adjustable helm chairs and a protective windscreen cover, supported by seven full size chart drawers for serious passage planning and a teak and holly sole underfoot for traditional nautical character. Just off the pilothouse, an oversized captain's cabin offers a double berth and head for quick turn rest, while side entry doors to port and starboard and wing stations with controls both sides enable confident docking and close quarters maneuvering.

Electronics and navigation equipment

Navigation and communication are comprehensively specified with a Simrad AP50 autopilot paired with J50 and RF300S and a fluxgate compass, a Furuno 1954 CBB NavNet VX2 black box radar/chartplotter GPS with Furuno BBW GPS, a Furuno WAAS/GPS receiver antenna and a Furuno FCV585 depth

sounder/fish finder with an 8.5" color LCD. Redundant routing is ensured by two Nobeltech Time Zero chart systems displayed across three Acer 21" monitors, handling and comfort are enhanced by Naiad stabilizer controls and bow thruster controls, and entertainment and connectivity aloft are delivered through KVH HD11 TracVision Satellite TV and KVH VSAT mini broadband. VHF and onboard communications include two Icom DSC VHF's and eight Icom M88 radios, and situational awareness is supported by an Elbex CCTV monitoring system with four cameras.

Flybridge

The flybridge is a sun splashed haven with a bimini top and an overhead sunshade on stainless steel supports, anchored by a custom oversized Spa Crest six person Jacuzzi with two steps up and stainless steel handrails, while entertaining centers around a custom built in bar adjacent to the Jacuzzi with a Corian top and three swivel bar stools and two large forward sunlounges with cushions and covers to port and starboard invite indulgent relaxation. A Venturi windshield, a radar arch with four overhead light fixtures, a Fusion stereo with outdoor speakers, teak decks and steps down to the boat deck complete the open air brief, with safety underscored by two Viking twenty man life rafts. Flybridge electronics were modernized in 2021 and include a Garmin Radar, a Garmin 8600 24" GPS/plotter, a Garmin 8600 16" GPS/plotter, a Garmin 8400 10" GPS/plotter, a Garmin wind gauge and display, two Garmin VHF radios, a Simrad 50 autopilot, analog main engine gauges and a dual SIM Wi-Fi system.

Upper boat deck

The upper boat deck is arranged for effortless gatherings with four woven wicker chairs with cushions and three woven wicker tables with glass tops, all

set on teak decks with stainless steel safety rails, while movement is intuitive via a stairwell down to the lower deck and steps up to the flybridge and full walk around decks that lead forward to the Portuguese bridge; a new sunshade with stainless stanchions provides cool refuge when desired.

Watersports

For on the water thrills, the yacht carries two Yamaha Wave Runners, ready to launch at a moment's notice.

Deck equipment

Deck gear is robust and expedition ready, featuring two Muir V5000 hydraulic windlass systems and two CMYC forty pound anchors with five eighths inch chain, tender handling is facilitated by a Christensen hydraulic boat crane/davit and a Marquipt hydraulic passarelle with Marquipt eight step sea stairs, and safety and readiness are reinforced by two Viking twenty man life rafts. Full walk around decks lead to a Portuguese bridge deck with steps to the bow, bordered by stainless steel handrails and guard rails, while built in bow deck seating with cushions invites sunset moments, and new exterior lighting updated in 2023 enhances both ambiance and security.

Aft deck

The aft deck is a true alfresco dining room with teak decking and an oval teak dining table on a double stainless steel pedestal surrounded by eight woven wicker dining chairs with cushioned seats, while a wet bar with a granite top, Scotsman refrigerator, icemaker and storage anchors service and is complemented by beverage refrigerators and storage to port and starboard and convenient overhead storage. Six Bose outdoor speakers set the

soundtrack, a three sided enclosure and full air conditioning ensure comfort in any weather beneath hard overhead shades spanning the entire aft deck, and fourteen overhead recessed lights illuminate the space for evening entertaining.

Crew quarters

Thoughtfully arranged for professional service, crew accommodations include a captain's cabin just aft of the pilothouse with a full double berth, a Samsung 44" LED TV and a private bath, plus three crew cabins forward on the lower deck offering six upper and lower berths. Built in cabinetry and storage beneath berths are provided in all cabins with hanging lockers throughout, two crew heads feature a shower, vanity, mirror and Moen fixtures, and the crew lounge is designed for efficient downtime with an L shaped settee/dinette, a full size refrigerator/freezer, a Samsung 24" TV, a GE microwave, an oversized stainless steel sink, InstaHot water, overhead lighting, ventilating portlights and two front load washers and dryers.

Electrical equipment

Power and monitoring are engineered for reliability with twin Northern Light 80 KW generators complemented by a Northern Light 40 KW generator and three custom Soundown exhaust systems serving all gensets, while two 24v DC AGM engine starting battery banks and two 24v DC Sentry battery chargers underpin dependable starts and charging. A Christensen ship's monitoring system provides oversight, and two 100 AMP electrical inlets with 100' shore power cords plus comprehensive electrical controls and a distribution panel ensure seamless shoreside connectivity and shipboard management.

Engine room and mechanical equipment

Mechanical systems are robust and meticulously maintained, powered by twin Caterpillar 3412 diesel engines rated at 1000 HP turning through ZF gearboxes with 3.45:1 reduction, and as of December 2025 engine hours stand at 8,000. A hydraulic ring main drives all hydraulics with Jastram hydraulic steering for precise control, range and self-sufficiency are supported by two Flow watermakers producing 1500 GPD, Naiad 404 stabilizers and an American bow thruster rated at 50 HP. Climate control is assured by three Aqua Air Conditioning 7.5-ton compressors with new chillers installed in 2023 serving the galley and aft deck, hot water is supplied by two Whirlpool fifty-gallon heaters, and a Grundfos/Headhunter freshwater system, an Alfa Laval fuel centrifuge, an Orca II sewage treatment system and a Racor fuel purification system maintain shipwide services. Tides shaft seals protect driveline integrity, and safety systems include a main fire pump control system feeding six fire stations, backup fire system/bilge pumps and twenty-six fire extinguishers distributed throughout the vessel.

Lazarette

A pneumatic lazarette door opens to a utility hub equipped with a Manitowoc commercial icemaker and two Frigidaire stand-up freezers, supported by a CO2 fixed firefighting system and two air compressors to ensure the yacht's hotel services remain fully capable offshore.

Recent upgrades (2021-2023)

Recent investments elevate CHANSON's readiness and polish, including bottom paint completed in 2025, headliner panels replaced throughout in 2023 and new carpeting laid in the salon and staterooms in 2025. Galley

improvements include a Bosch oven replaced in 2023 and a suite of new appliances installed in 2021, exterior lighting and a Starlink Wi-Fi system were updated and installed in 2023 alongside large capacity A/C air handlers added to the galley and aft deck, bow thrusters were replaced and upgraded in 2021, power redundancy was strengthened with twin Northern Lights 80 KW generators and a Northern Lights 40 KW unit, watermaker membranes were renewed in 2022, A/C chiller number one was replaced in 2022 and chillers two and three were renewed in 2021. The flybridge electronics suite received a comprehensive refresh in 2021 with new Garmin monitors, radars, depth sounder, VHF radios, stabilizer control, wind and weather station, remote monitoring and a camera system. Interior refinements include new wood panels in the salon in 2022, new carpeting and wallcoverings in the skylounge in 2025, a new salon sofa in 2025, new sofa upholstery in the skylounge in 2021, and new overhead headliners in guest staterooms and the skylounge in 2022; all exterior cushions were replaced in 2022 and the skylounge bar received new marble flooring and countertop in 2021. The hot tub was replaced in 2023 along with a new control system and pumps, audio/visual systems inside and out were modernized in 2022 with new TVs, speakers, iPad charging stations and stereos, a jet ski was replaced in 2021 and on the tender a Yamaha 90 HP outboard, controls, gauges, stereo and VHF were replaced in 2022.

Work completed (2022)

In 2022, the yacht underwent comprehensive mechanical and running gear service: all running gear was removed for inspection, propellers were reconditioned, and all cutlass bearings were replaced, Tides seals were serviced, all interior air handlers replaced and every hydraulic line renewed, Vulkan couplings for the main engines were also replaced, and the yacht benefits from a complete new paint job performed in 2017 preserving her

crisp, timeless profile.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
