OVERVIEW

This exquisite yacht has been thoughtfully designed by the proprietor of an esteemed Italian shipyard, serving as a private floating sanctuary, which makes it an extraordinary vessel. Crafted with the utmost attention to detail and utilizing only premium materials for both its interior and exterior, this yacht distinguishes itself from mass-produced models, offering a level of exclusivity that is invaluable for discerning buyers. The stunning exterior is the work of Fratelli D'Amato, while the elegant interior features exquisite blonde American cherry wood accents by Boscolo & Poluzzi. This is a one-of-a-kind yacht that no one else can claim as their own.

Spanning an impressive 37 meters, this yacht boasts a robust steel hull and a sleek aluminum superstructure, engineered to ensure a smooth voyage even in challenging waters. It comfortably hosts up to 12 guests across five luxurious en suite cabins, which include two expansive master suites (one conveniently located on the main deck), a VIP cabin, and two twin cabins equipped with Pullman berths.

Over the years, this vessel has been meticulously maintained to the highest standards, with numerous enhancements that guarantee she remains in pristine condition. For those interested in yacht sales in the current boat location, this is an exceptional opportunity to buy a yacht that embodies luxury and sophistication.
