OVERVIEW

Introducing the 121' Van Der Valk Pending, a 2028 VAN DER VALK Pending measuring 121 feet LOA. A new build with a classical, timeless profile, it marries refined styling to purposeful seakeeping. The original round-bilged hull delivers excellent sailing capabilities and maximum fuel efficiency, while the extra heavy underwater body—constructed with 8 mm steel plating—adds notable stability and comfort underway. Combined with a generous fuel capacity, this efficient hull form grants an impressively long cruising range.
