OVERVIEW

The Martinique YN205 is a remarkable fast-displacement, long-range yacht constructed from high-tensile steel, with availability for delivery in April 2025. This exquisite vessel showcases an impressive range, outstanding craftsmanship, and sophisticated finishes, all hallmarks of Dutch engineering. The design promotes beautifully balanced areas and effortless indoor-outdoor living, making it an ideal choice for those looking to buy a yacht that exceeds expectations. With its captivating aesthetics, customizable options, and unmatched comfort, the Moonen Martinique YN205 promises an extraordinary experience on the water.

Created by the renowned designer René van der Velden, the Martinique YN205 harmoniously blends elegance with functionality, accommodating up to 10 guests across five opulent cabins. Noteworthy features include a generous extended swim platform, a vast sun deck covering 700 sqft (65 sqm), and versatile entertainment areas on both the bridge and main deck aft. Furthermore, this yacht for sale is engineered for low noise and vibration levels, boasts an impressive range of 4,000 nautical miles, and features a shallow draft of just 7' (2.2m), making it perfect for various cruising conditions. Explore yacht sales in the current boat location and discover the luxury of the Martinique YN205.
