OVERVIEW

The interior of BEAUTE is crafted by the renowned Italian firm Cristiano Gatto Design, aiming for a sleek, minimalist aesthetic that resonates with global preferences, creating a modern and sophisticated ambiance.

A standout aspect of BEAUTE is her expansive sundeck, which the shipyard claims is "30 percent larger than yachts in its category."

Key highlights include:

A beach club featuring a comfortable sofa area and shower, which can also be converted into a garage for tenders and water toys.

A sundeck equipped with a full bar, plush premium sofas, and a spa bath.

A full-beam master suite on the main deck, complete with a walk-in closet and a Mirror TV.

A panoramic main salon with large windows offering stunning ocean views.

An upper deck with an enclosed salon.

A guest lobby on the lower deck with a seating area.

The layout is designed to host up to 10 guests across 5 opulent cabins, along with accommodations for 7 crew members. The lower deck houses 3 double guest cabins and 1 twin guest cabin, while the owner's suite is located on the main deck. Each cabin is equipped with its own en-suite bathroom.

BEAUTE is driven by two MTU 16V 2000 M96L 2,600 mhp diesel engines.
