## Amer F 126 - 2025 - New

The Amer F 126 stands as a pinnacle of elegance, performance, and opulence. This yacht, available for purchase, is meticulously designed to optimize both interior and exterior spaces, featuring sleek, athletic lines and a sophisticated silhouette, with the exterior envisioned by Antonio Luxardo. It offers accommodation in 5 sumptuous cabins: a magnificent owner's suite on the main deck and 4 double cabins, each equipped with en-suite bathrooms. The bow is dedicated to a well-equipped crew area.

With propulsion from four Volvo Penta IPS engines, each providing 1,000 HP, this yacht delivers exceptional maritime performance and efficient fuel consumption, courtesy of its state-of-the-art technology. For those interested in acquiring a yacht, explore yacht sales at the current boat location to witness this extraordinary vessel.

### Sporty lines and a streamlined silhouette

---

As the flagship of the Amer Yachts lineup, the F 126 represents an extraordinary design by the shipyard, crafted to fully exploit the potential of both its interior and exterior areas. This makes it perfect for heavy use and an excellent choice for charters. The yacht features dynamic lines and a sleek profile, offering not only visual allure but also efficient fuel consumption. The F 126 is engineered to incorporate a blend of materials, with aluminum integrated into a traditional composite framework. This forward-thinking design includes a new composite material that can be recycled at the end of its lifecycle, reducing fiberglass usage by 30% to 50%. Equipped with multiple Volvo Penta engines featuring IPS, the yacht employs state-of-the-art technology to boost both performance and efficiency.
