# OVERVIEW

---

## NEW BUILD - ON SPEC

The Columbus Atlantique 37 presents a striking synthesis of elegance, utility, and marine performance, conceived for those who prize the finer art of voyaging by sea. Each moment aboard is intended to be savored, as interior and exterior living areas flow together to deepen the bond with the surrounding waters. Its graceful contours recall the allure of Italian grand touring automobiles, combining a sporty temperament with refined presence. The hull's profile pays tribute to classic sailing lines, while aft a panoramic swimming pool sits just 50 cm above the waterline, offering an intimate, elevated perspective for leisure and viewing the horizon. Compact in footprint yet generous in presence, the yacht registers a volume of 299 GT and pairs an athletic exterior with sumptuous, carefully curated interiors.

Below decks lie four double cabins, each appointed with its own en-suite bathroom, while the owner's suite occupies the forward position on the main deck, boasting a luxurious bathroom with both tub and shower and a capacious walk-in closet. Dining is arranged in two distinct settings — one on the main deck and another on the upper deck — together seating up to 10 guests, with the upper deck distinguished by large, rounded windows that can be adjusted to preserve an uninterrupted connection to the sea.

Storage and tender arrangements are thoughtfully integrated: a garage on the starboard side accommodates a 4.45-meter tender, with an additional 3.25-meter tender and a rescue boat stowed in the bow hangar. Propulsion comes from twin 2000 hp MAN engines driving a semi-planing hull to a maximum speed of 22 knots and a comfortable cruising speed of 19 knots. Exterior and interior styling are by Hot Lab, with naval architecture by Palumbo Superyachts. Explore yacht sales in the current boat location and experience the refined capability and elegance of the Columbus Atlantique 37.
