## OVERVIEW

---

Launched in 2000 and thoughtfully refreshed in 2021, ATLAS is a testament to Diana Yacht Design's refined artistry both externally and within her cabins. Her interior volumes feel generous and are finished in a chic, effortlessly elegant manner that invites lingering; the solid displacement hull underpins the whole experience with reassuring stability at sea, fostering a serene, carefree ambiance for family and companions.

Comfortable accommodation is provided for up to 10 guests across five sumptuous cabins. The generous master suite, appointed with a king-size bed, enjoys direct, private access to the main deck. Below, the lower deck contains a VIP suite alongside two double cabins and a twin cabin, each arranged for maximum comfort and privacy.

Offered for sale, this vessel presents a rare combination of substance and style: a robust steel hull coupled with a streamlined aluminium superstructure, engineered to excel within the displacement category. Located in the current boat location, ATLAS is an opportunity to acquire a yacht that marries refined elegance with dependable seagoing performance and a spirit of adventure.
