DETAILED DESCRIPTION

Section name

This luxurious yacht is a masterpiece of modern engineering and design, offering an unparalleled experience on the water. It is LY3-compliant, ensuring it meets the highest safety and environmental standards. The yacht features an upgraded "Classic" superstructure, providing a timeless aesthetic with modern functionality. On the upper deck forward, there is a predisposition for a manual awning with four supports for pillars around the sofa, allowing for customizable shade and comfort.

Entertainment and communication are seamlessly integrated with the KVH HD11 TV and KVH Trackphone V11 predisposition, ensuring you stay connected and entertained wherever you are. The portside guest cabin includes a folding bed, while the starboard guest cabin boasts a sliding bed, offering flexible sleeping arrangements for guests. The underwater lights, Centalupi 90 SEALED FY9 80W, illuminate the water with a stunning display, enhancing the yacht's elegance.

The owner's bathroom features a new layout with a central shower, providing a spa-like experience. On the sun deck, a Kenyon BBQ is installed on the starboard side cabinet in vertical teak, perfect for outdoor dining. The main deck aft dining table is split in two, allowing for easy passage, while the main deck salon features a wooden top dining table, adding a touch of sophistication.

The upper deck is equipped with a bar that includes a fridge, two drawers, and a wine cooler, ensuring refreshments are always at hand. The pilot chair, Selto, offers comfort and style for the captain. The upper deck forward sun pad features a foldable backrest on both sides, providing versatile lounging options. The sun deck bar is enhanced with stools and an extendable marble

shelf, while the bar cabinet is covered with satin varnished teak for a luxurious finish.

An additional cabinet, also covered with satin varnished teak, houses an up/down 55" TV, offering entertainment in style. The sun deck marble shelf with three stools in the forward area provides a perfect spot for relaxation. The sun deck table is split in two, with electric up/down and sliding capabilities, transforming from a coffee table to a dining table with ease.

The yacht's moquette has been upgraded, and it features a frequency converter for shore power, ensuring compatibility with various power sources. It is powered by Caterpillar C4.4 generators and includes two Glendenning cable masters for efficient power management. The frequency converter 110V 60Hz AC18 ensures a reliable ring of sockets throughout the vessel.

Communication is enhanced with a VHF system featuring US channels. The hull side rub rail, crafted from rubber and stainless steel, provides protection and style around the sponsons and swim platform. Each deck and the crew area are equipped with Dyson V11 vacuums, ensuring cleanliness and convenience. The yacht includes oil change systems for all engines where necessary, additional battery chargers, and mooring equipment as needed. A fire extinguishing system is installed in the engine room for safety. It is equipped with US nautical equipment and an HIN plate, ensuring compliance with US regulations.

Double Racor filters for GG/EE and an audio-video update to 60Hz enhance the yacht's performance and entertainment capabilities. There is a predisposition with wiring for forward shore power, and the beach area features a day head and storage for convenience.

The main salon boasts a panoramic window with full height on the forward starboard side, offering breathtaking views. Electric doors from the main salon to the galley provide seamless access. A custom pool in the forward area features cutouts on both sides and white light inside, creating a luxurious

oasis.

The gym, with a vinyl floor in place of a pantry, includes modifications to part of the ceiling, offering a dedicated space for fitness. TVs have been upgraded from 65" to 75" in the upper deck salon and from 55" to 65" in the main deck salon, ensuring a superior viewing experience.

A round table for 10 people with a lazy Susan is located on the upper deck aft exterior, accompanied by two additional chairs and an enlarged cover for the table. The external upper deck cabinet is upgraded with satin varnished teak and a marble top, adding elegance to the outdoor space.

In the owner's cabin, loose furniture replaces the desk, providing a personalized touch. The crew mess has been reimagined by eliminating the crew stair and replacing the crew table with a central isle featuring a sink and dishwasher. Additional loose furniture in the beach club, Tribu Kos, enhances the relaxation area.

A shower on the stern platform and bollards on the stern add functionality and convenience. The yacht is upgraded with electrical curtains in the lower deck cabins, upper salon, owner's cabin and studio, and gym, offering privacy and ease of use. Sockets for awnings are available aft on the upper deck and aft on the sun deck, with two sockets for an umbrella in the beach club.

A mini-fridge in the storage lower deck lobby ensures refreshments are always within reach. The captain's cabin provides a private retreat for the captain. External polished stainless steel stairs replace the varnished alloy, adding a touch of modernity.

The bow thruster is upgraded from 45kW to 65kW, enhancing maneuverability. A joystick integrated with azipull/bow thruster and stay-on-spot technology offers precise control. The sun deck bar is customized, and marble tops and floors are upgraded for a luxurious finish.

Additional covers for external loose furniture protect against the elements, while the parquet is upgraded to walnut, adding warmth and elegance. The

yacht is equipped with two Yamaha FX SVHO jet skis, a Williams 565 Diesel tender, two Seabobs, and one stand-up paddleboard (SUP), ensuring endless fun on the water.
