OVERVIEW

The magnificent Superyacht MABROUK epitomizes luxury and comfort at sea. This 38.30m/125'65" vessel, crafted by Cantieri Di Pisa in 2004 and rejuvenated in 2012, is now available for yacht sales in the current boat location. With a GRP hull and superstructure, she is powered by twin 3,620 HP MTU engines, cruising smoothly at 21 knots and reaching a top speed of 28 knots.

The interior, masterfully designed by the esteemed Ivana Porfiri, offers a harmonious and sophisticated ambiance. MABROUK's contemporary and refreshing design accommodates up to 10 guests across 5 luxurious cabins. One of her standout features is the expansive sundeck, where guests can bask in the sun or relax in the shade under an optional Bimini.

As a remarkable example of the Akhir 38 category, she is impeccably maintained and ready for those looking to buy a yacht that combines elegance with performance.
