## OVERVIEW

---

Obsessions is a name that perfectly captures the magnetic elegance of this extraordinary yacht, now offered for sale and ready to enchant a new owner. Commissioned originally in 1996 by a distinguished royal family from Asia for sumptuous fishing expeditions, she was built by Heesen and bears the signature of Mulder on her striking exterior lines and Diaship within her refined interior—at launch she represented the very pinnacle of yachting craftsmanship.

Laid up today in the tranquil waters of the Philippines and cherished by her second owner, Obsessions has spent recent seasons gliding through serene sunset passages among breathtaking islands. Those gentle cruises have been a pleasure, yet the owner now seeks a successor to unlock the vessel's broader possibilities and to employ her for bolder adventures and longer voyages.

Beneath her sleek profile she is driven by twin MTU 3500hp turbodiesels, propelling her to a top speed in excess of 30 knots, while her efficient design allows a comfortable cruising pace of 8 knots and an extraordinary range of over 6,000 nautical miles—an offering of both performance and endurance for varied itineraries.

Accommodation is gracious and well configured, with a sumptuous Master stateroom, a VIP stateroom, a port cabin and a starboard cabin for guests. The crew quarters are practical and comfortable, comprising a Captain's cabin with two bunks, an Engineer's cabin with two bunks, a forward cabin with two bunks and a pleasant crew lounge.

For buyers seeking yachts in this region, this iconic superyacht awaits inquiry. Seize the opportunity to acquire a vessel that marries refined style with seafaring capability, a true embodiment of elegance and adventure.
