OVERVIEW

[Rewritten Description]:

Obsessions is a name that perfectly captures the charm and elegance of this extraordinary yacht. Now available for purchase, this stunning vessel is set to captivate discerning buyers. Originally built for a distinguished royal family from Asia for opulent fishing trips, Obsessions was crafted by Heesen in 1996, showcasing the Dutch shipyard's famed dedication to exceptional design and engineering. With a breathtaking exterior by Mulder and a refined interior by Diaship, Obsessions was, at her debut, the pinnacle of yachting excellence.

Currently anchored in the tranquil waters of the Philippines, under the care of her second owner, Obsessions primarily enjoys peaceful sunset cruises around stunning islands. While this relaxed lifestyle has been enjoyable, the owner believes it is time for a new guardian to unlock the yacht's full potential and embark on more adventurous journeys. Could that new owner be you?

Driven by twin MTU 3500hp turbodiesels, Obsessions features an impressive top speed surpassing 30 knots. Engineered for outstanding performance, she can also cruise at 8 knots, achieving an exceptional range of over 6000 nautical miles, offering unmatched versatility for any voyage. Guest accommodations include a lavish Master stateroom, a VIP stateroom, a port cabin, and a starboard cabin. The crew quarters consist of a Captain's cabin with two bunks, an Engineer's cabin with two bunks, a forward cabin with two bunks, and a cozy crew lounge.

For those interested in yacht sales at the current boat location, this iconic superyacht awaits your inquiry. Don't miss the chance to own a yacht that embodies both sophistication and adventure.
