OVERVIEW

"Entourage" embarked on its maiden voyage in 1995 from the esteemed Norship shipyard in Norway. In 2023, this exquisite yacht underwent a significant refit, ensuring a decade of smooth sailing, complete with a 10-year warranty on its newly installed Caterpillar C-32 engines. As of September 13, 2023, these engines have only accumulated 25 hours, making "Entourage" feel almost brand new, with a standard 3-year warranty starting upon delivery.

This vessel has undergone an extensive refit valued at an impressive \$3 million. The overhaul included the installation of a state-of-the-art A/C system, ensuring the highest level of comfort on board. The teak wood, both inside and out, has been completely replaced, revitalizing the yacht's appearance and ensuring its durability for years to come.

"Entourage" has also been upgraded with a robust main propulsion system. The generators have been meticulously refurbished, providing reliable and efficient power generation for all your adventures.

With these enhancements, "Entourage" is ready to offer an extraordinary yachting experience, blending modern conveniences with timeless elegance. Whether you are cruising serene coastal waters or embarking on exciting offshore journeys, "Entourage" promises the pinnacle of luxury, comfort, and performance, all backed by substantial warranties for your peace of mind.

"Entourage" is an ideal yacht for sale in the Bahamas, featuring a 5'6" draft, brand new Veem 5-blade high-speed propellers, and props recessed in tunnels with preferred straight shafts. All shafts and cutlass bearings are brand new. With the yacht controller command and joystick precision, maneuvering this vessel is a seamless and enjoyable experience.

Opacmare transformer platform for effortless toy launch or water access

Three garages accommodating 2 jet skis and 2 inflatable tenders

Flybridge jacuzzi with a convertible sunbathing deck and alfresco dining table
Master Cabin jacuzzi with his and hers sinks, plus an extra-large walk-in closet and dressing area

DETAILED DESCRIPTION

2023 refit

This yacht has been thoroughly refurbished in 2023, ensuring it is outfitted with the most advanced marine technology and luxury features. At the core of its performance are brand new Caterpillar C-32 engines, each offering a remarkable 1950 horsepower. These engines come with a standard three-year warranty, extendable up to ten years, providing long-term peace of mind. Currently, the engines have only 28 hours of operation, making them nearly new. In addition to the engines, the generators have been rebuilt and have only 280 hours, guaranteeing dependable power for all onboard systems.

The yacht is fitted with a new Dockmate yacht controller, ensuring effortless maneuverability and control. The entire running gear has been replaced, featuring new shafts, five-blade Veem propellers, and cutlass bearings, ensuring smooth and efficient operation. A new air conditioning system has been installed, ensuring comfort in any climate. The underwater hull has been fully faired and painted, with a one-year warranty on the work, ensuring both beauty and performance.

Inside, the yacht features new soft furnishings and interior coverings, including updated flooring, creating a fresh and welcoming ambiance. The vessel is equipped with a straight shaft and tunnel for a shallow draft, allowing access to a wider variety of destinations. With a top speed of 29.8 knots when heading north, this yacht delivers thrilling performance on open waters.

For leisure and entertainment, the yacht includes three garages and an Opacmare transformer hydraulic platform, offering ample storage and easy water access. It is equipped with two jet skis, an inflatable swimming pool, and a slide, ensuring endless enjoyment for guests of all ages. This yacht perfectly combines performance, luxury, and entertainment, making it an outstanding

choice for discerning buyers.

Bridge

The 1994 Norship boasts a lavish and expansive upper deck that embodies the pinnacle of yachting sophistication. Elevated above the azure seas, this prime vantage point provides sweeping panoramic views of the surrounding ocean. Designed with meticulous precision, the flybridge is furnished with plush, luxurious seating upholstered in rich leather, inviting guests to unwind and bask in the sun while enjoying the refreshing sea breeze. At the helm is a well-equipped station, featuring cutting-edge navigation and control systems, ensuring the captain has all the tools necessary for seamless navigation. The polished teak decking, shining chrome details, and stainless steel railings further accentuate the luxurious ambiance. Whether hosting a sunlit cocktail gathering or simply enjoying the serenity of the open sea, the flybridge of the 1994 Norship offers the perfect sanctuary for discerning sailors.

Galley

The galley aboard the 1994 Norship is an impressive blend of functionality and luxury, crafted to meet the highest culinary standards. This professional-grade area reflects the yacht's dedication to offering premium amenities. At its center is a stunning onyx prep island, serving as a captivating focal point that infuses the galley with a sense of opulence. The kitchen features high-end Subzero drawers, providing advanced refrigeration to keep ingredients fresh and beverages perfectly chilled. Expansive windows bathe the galley in natural light, offering scenic views of the surrounding ocean and turning meal preparation into a delightful experience.

The galley is equipped with a Bosch oven and a Vulcan range with six burners, delivering ample cooking power for any culinary task. A Princess hood

extractor maintains a clean and pleasant cooking environment. The Liebherr 24" R/R1 1400 refrigerator and Bio Fresh BF 11051 provide additional refrigeration options, ensuring all your storage needs are met. For added convenience, a Kitchen Aid/Galley Maid dishwasher and icemaker are included, making cleanup and entertaining effortless. Whether crafting a gourmet masterpiece or a quick snack, the galley of the 1994 Norship is a chef's haven, seamlessly combining practicality with elegance.

Accommodation

The accommodations aboard Entourage exemplify its dedication to luxury and comfort, providing a refined experience for everyone who comes aboard. This splendid yacht accommodates eight guests across four staterooms, each redefining luxury on the water. The VIP suite, situated forward on the main deck, offers an unmatched experience with its generous layout and sophisticated decor, ensuring guests feel indulged and at ease. Below deck, the master suite, along with two queen guest cabins, each with a private bath, ensures every guest enjoys maximum privacy and relaxation. The owner and guest accommodations feature a lavish king berth and three queen berths, promising peaceful nights and a retreat of unmatched luxury.

For the crew, the accommodations are equally welcoming, with room for up to seven in three well-equipped cabins, ensuring they also enjoy comfort and convenience. Entourage establishes a new benchmark for living on the water, blending the finest materials with thoughtful design to create an atmosphere of pure indulgence. Every detail has been meticulously crafted to offer an exceptional living experience, making Entourage a true haven on the sea.

Electrical equipment

The yacht's electrical equipment is crafted to deliver dependable and efficient

power management, ensuring a flawless experience at sea. The system operates at 120V with a frequency of 60 Hz, accommodating a broad spectrum of electrical requirements. At the core of this configuration are two Northern Lights generators, each boasting a 60 kW capacity, installed new in 2010, ensuring strong and reliable power production. Complementing these is the Atlas Converter, installed in 2008, which provides a shore power capacity of 60 kW and supports a voltage range from 120 to 500 volts with a 3-phase 60 Hz setup. This allows the yacht to seamlessly adapt to different shore power sources, enhancing its adaptability. The electrical system is further bolstered by Gel 24V batteries, offering dependable energy storage and contributing to the overall efficiency and reliability of the yacht's power management. This comprehensive electrical arrangement ensures that all onboard systems function smoothly, offering peace of mind and comfort to everyone on board.

Deck equipment

The deck equipment on this yacht is crafted to deliver both practicality and user-friendliness, ensuring a seamless experience for everyone on board. Central to the anchoring system is the Maxwell hydraulic anchor and windlass setup, complemented by a Maxwell electric capstan, which together provide dependable and efficient anchoring capabilities. The yacht is outfitted with two galvanized steel anchors, each weighing 240 pounds (110 kilos), paired with two galvanized anchor chains, each stretching 360 feet (110 meters), ensuring secure mooring in diverse conditions.

For boarding and disembarking, the yacht is equipped with a Besenzoni passerelle and a Marquipt boarding ladder, both designed with convenience and safety in mind. The Opac-Mare swimming platform enhances enjoyment, offering easy access to the water for swimming and water sports. This comprehensive deck equipment arrangement ensures that every aspect of the yacht's operation is smooth and efficient, elevating the overall experience for

both guests and crew.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
