DETAILED DESCRIPTION

Section name

This luxurious yacht offers an unparalleled experience with its impressive accommodations and state-of-the-art machinery. Designed to host up to 16 guests comfortably in 7 cabins, the yacht features a super master cabin with a king-size bed and private office, a master cabin with a queen-size bed, and five VIP cabins each equipped with a queen-size bed and an additional single bed. The yacht can accommodate a maximum of 22 guests, with the option to include an additional double bed. The crew is well-catered for with accommodations for 8 in 3 cabins.

The yacht is powered by two MAN engines, each delivering 450 hp, and is equipped with 4-blade propellers and ZF 4650a gearboxes. As of July 10, 2023, the port engine has logged 2,850 hours, while the starboard engine has 2,870 hours. The vessel boasts a range of 4,200 nautical miles, supported by a comprehensive suite of generators and auxiliary systems, including a Kohler generator with 7,000 hours, a Genset 70 kW with 200 hours, and a Panda 30 kW with 400 hours. An ASEA shore power converter ensures seamless power management.

The yacht's tank spaces are substantial, with a fuel capacity of 24,000 liters, water storage of 12,000 liters, and gray sewage water capacity of 11,200 liters. Two water makers produce 1,000 liters per hour, ensuring a constant supply of fresh water. The vessel consumes 65 liters per hour, making it efficient for long voyages.

Equipped with a Quwek hydraulic bow thruster and Quantum 2fin stabilizers, the yacht offers smooth sailing both at zero speed and underway. The hot water system features a 300-liter boiler powered by 220V and 380V, while the electric toilet system and Elektroluxur sewage treatment ensure comfort and

hygiene. The FRIGOMAR air conditioning system with three compressors and a Bosch air compressor maintain a pleasant onboard environment.

Safety is paramount, with two SARTs and an EPIRB on board. Communication is facilitated by two Icom M-87 portable VHF's, a main station Raymarine, a satellite phone, an internal modem/phoneline, and a new WIFI system.

Navigation equipment includes Furuno and Raymarine radars, plotters, and GPS systems, ensuring precise and reliable navigation.

The deck is well-equipped with two DATA windlasses, 180-meter anchor chains, a Besenzoni hydraulic passarelle, and a 1,200-kilogram deck crane. The audio/visual entertainment system is extensive, featuring LG and Samsung LED TVs, Marantz amplifiers, and a variety of speakers throughout the yacht, including the main salon, upper deck, and sundeck.

The galley is fitted with two cooling chambers, three deep freezers, a refrigerator, a professional dishwasher, and cooking equipment, ensuring gourmet meals can be prepared with ease. Special features include a jacuzzi, zero-speed stabilizers, and a rich collection of toys and tenders, such as a 6m Jocker tender with a Yamaha 100hp engine, Yamaha super jet, wave runner, seabobs, kayaks, paddleboards, and more.

The yacht has undergone an extensive refit, including new lighting throughout, a new jacuzzi, solar power station, and a total refit of the upper deck and wheelhouse. The main deck features a new large table and chairs, while the kitchen boasts new appliances and equipment. The crew area and laundry room have been upgraded with new air conditioning, washing machines, and piping. The main saloon has been refreshed with new cushions, curtains, and air conditioning, and the engine room has seen significant upgrades, including new pumps, filters, and generators.

Overall, this yacht is a masterpiece of luxury and engineering, offering an exceptional experience for those seeking the ultimate in maritime adventure.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
