## OVERVIEW

---

Motor yacht GEMINI fuses timeless styling with a thoughtfully engineered layout tailored for luxurious blue water voyaging and sophisticated entertaining. Her balanced, graceful profile presents a refined silhouette, and expansive indoor-outdoor living areas have been arranged to ensure effortless comfort aboard.

Guest accommodation comprises four en suite cabins, while the owner enjoys a private deck complete with its own terrace, Jacuzzi, daybed and an open air cinema for intimate al fresco evenings. The main deck is devoted to generous lounge and dining spaces, enhanced by fold out side balconies that place guests almost level with the sea.

Concealed garages discreetly house two Jet Skis alongside a 3m crew tender and a 5m guest tender, delivering practical stowage without interrupting her streamlined lines. Multiple social hubs, additional Jacuzzis and a wraparound sky deck complete the superyacht concept, marrying elegance, comfort and a true spirit of adventure.

# DETAILED DESCRIPTION

---

## Designer's comments

---

The 39 m Power Catamaran reinterprets life afloat as an elegant synthesis of architectural clarity, generous comfort, and boundless autonomy. With an impressive 11.8 m beam and a 495 GT volume, it offers the spatial presence and livability of a much larger vessel while retaining the efficiency, accessibility, and unmistakable refinement of multihull architecture.

Its exterior reads as an exercise in restrained elegance—surfaces that flow and sweep rather than break into aggressive angles, each line carefully composed to achieve visual balance and enduring appeal. That purity of form yields a subtle sophistication that will age gracefully, while asserting a poised, confident silhouette on the water.

Every practical element has been considered to enhance both comfort and adventure. Two jet skis are concealed in the aft section of each hull for instant deployment, a 3 m crew tender tucks away beneath the expansive aft sunbed, and a 5 m guest tender is positioned forward on the main deck for easy access without interrupting the yacht's streamlined profile.

Below deck, four refined ensuite guest cabins ensure privacy and luxury for all aboard, while the main deck aft opens into a spacious outdoor lounge appointed with expansive sunbeds featuring rotating headrests, adaptable seating and a bar located beside side balconies that open, allowing guests to dine or relax with uninterrupted ocean views from the counter.

Inside, the main saloon moves with a natural, unsegmented flow, bringing together a lounge, bar and formal dining area that can be subtly reconfigured around a rotating TV to shift moods and sightlines. Forward on the main deck, the VIP cabin enjoys its own private balcony and ocean-facing sofas, a tranquil retreat designed for quiet moments and fresh sea air.

The upper deck is reserved entirely for the owner, a private domain defined by space and seclusion. The owner's suite faces aft and is furnished with comfortable sofas, a dedicated working area and separate his-and-hers bathrooms. Aft of the suite, a secluded terrace becomes a personal outdoor sanctuary complete with a Jacuzzi, daybed and outdoor cinema for intimate relaxation.

Forward on the same deck a convivial lounge encourages shared evenings under the stars with a central Jacuzzi, abundant seating and a vast outdoor TV. Above it all, the sky deck crowns the design with sweeping vistas, sunbeds, an alfresco dining area, an additional Jacuzzi and a helm station, creating a seamless progression between leisure and navigation.

With its timeless exterior, spacious interiors and carefully integrated lifestyle features, the 39 m Power Catamaran is conceived not just to travel the globe, but to inhabit it beautifully—an expression of freedom refined through thoughtful design.
