OVERVIEW

Delivered by Italian yard Mondomarine and launched in 2009 with initial handover in 2011, the 40m (130'00") luxury motor yacht CELIA P presents refined presence and contemporary elegance. Fresh from an extensive 2026 refit, she returns to the water with revitalised lines and interiors that prioritize light, space and an easy, open-plan circulation throughout the main living areas.

The interior, conceived by Envi Marine, pairs contemporary aesthetics with a warm, residential atmosphere, creating an inviting environment across every social space. Large windows flood the main salon and guest areas with natural light, while an 8m beam and 333 GT of volume provide an unusually generous sense of breadth and internal volume for a yacht of her size.

Accommodating up to 12 guests in five beautifully appointed staterooms, CELIA P is configured for luxury and privacy. The owner's suite occupies the full beam on the main deck, offering seclusion and expansive views, supported by two fully refurbished VIP cabins and two lower-deck twin cabins fitted with Pullman berths for flexible guest arrangements.

Underway she is propelled by twin MTU 2000 engines, delivering a comfortable cruising speed of 14 knots, a maximum of 17 knots and an impressive 2,600-nautical-mile range. Stabilizers operate both underway and at anchor to ensure smooth onboard comfort in varying sea conditions. The main engines record approximately 400 hours since QL4/W6 overhauls.

Outdoor living is a strong feature, with multiple alfresco dining venues, a deck Jacuzzi framing panoramic sea views and a generous inventory of water toys for active enjoyment. Modern connectivity and entertainment are comprehensively addressed with Starlink, WiFi throughout, Smart TVs in every cabin and state-of-the-art audiovisual systems integrated across the yacht.

DETAILED DESCRIPTION

Description

Built by the Italian shipyard Mondomarine in 2009 and first delivered in 2011, CELIA P is a 40m (130'00") motor yacht whose presence is unmistakable. Following a comprehensive refit completed in 2026, she returns refreshed and upgraded, presenting airy, contemporary living areas crafted for effortless cruising. The elegant interior by Envi Marine marries modern detailing with a warm, inviting atmosphere, while expansive glazing draws natural light into the main salon and guest accommodations. With an ample 8m beam and a volume of 333 GT, CELIA P offers a pervasive sense of space and openness throughout her interiors.

Accommodations

CELIA P welcomes up to twelve guests in five beautifully finished staterooms designed for both comfort and privacy. The recently refitted, full-beam Owner's Suite on the main deck provides a secluded retreat with sweeping, panoramic views, while two fully refitted VIP suites and two twin staterooms with Pullman berths on the lower deck complete the sleeping accommodations, offering versatile arrangements for families and groups.

Outdoor living is crafted for enjoyment, with generous decks set up for alfresco dining and a deck Jacuzzi positioned to capture uninterrupted sea vistas. An exceptional selection of water toys ensures endless recreation, and connectivity and entertainment are first-rate, featuring Starlink connectivity, WiFi throughout, Smart TVs in every cabin, and state-of-the-art audiovisual systems integrated across the yacht.

Performance

Twin MTU 2000 engines propel CELIA P to a serene cruising pace of 14 knots and a maximum speed of 17 knots, while delivering an impressive range of 2,600 nautical miles that pairs fuel efficiency with assured composure on the water. Advanced stabilizers, effective both underway and at anchor (zero speed), guarantee refined comfort regardless of sea conditions.

Specification

At 39.4 m overall with an 8.00 m beam and a 2.30 m draft, this yacht, crafted by MONDOMARINE SpA, offers refined accommodation for twelve guests across five impeccably appointed cabins, supported by a professional crew of eight. Comfortably cruising at 13.5 knots and capable of a 17-knot top speed, she balances assured performance with elegant seakeeping. Launched in 2009 and comprehensively refitted in 2026, she is registered in Malta and is presently based in Athens, Greece.
