OVERVIEW

Discover the opportunity to own a contemporary 40-meter explorer yacht, featuring a pre-constructed 33-meter steel hull now available for yacht sale!

HIGHLIGHTED ATTRIBUTES OF THIS INNOVATIVE DESIGN

Transitioning from a 2000s Explorer Yacht to a cutting-edge Expedition Motor Yacht

Enhanced LOA/Beam ratio: Length increased from 33m to 40m while maintaining the same beam

Expansive and more spacious interior layout

Ample room on the exterior deck for relaxation and entertainment

Generous owner's suite with direct access to the forward (open) deck

Sleek, modern profile with no side belts and state-of-the-art windows

Two spacious VIP guest cabins added, each measuring 23 sqm

Redesigned stairs and below-deck access for improved flow

New hardtop and an extendable portable hardtop for versatility

Improved visibility and accessibility achieved by eliminating side belts

Minimal alterations to the superstructure for a seamless look

Two extra-wide VIP cabins featuring luxurious bathrooms

Central staircase removed from the main deck saloon for a more open feel

Custom-designed access ladders to enhance space and privacy

Enlarged owner's suite with a more spacious bathroom

Private balcony added to the owner's suite for exclusive enjoyment

Direct access from the owner's bathroom to the forward deck via a sliding glass door

Expanded galley to accommodate additional guests comfortably

Discreet mooring equipment on the forward deck for a clean aesthetic

Isolated crew access and cabins for enhanced privacy

More room for sunbathing and hosting gatherings

A larger beach club designed for personalized experiences

Port and aft swimming and sunbathing platforms for effortless water access

Safe and unobstructed access on both sides of the yacht

Increased open deck space for more guests and water toys

A grand dining table added on the aft deck for memorable meals

This yacht for sale represents a unique chance to buy a yacht that combines luxury, functionality, and modern design, all set in the current boat location.

Explore yacht sales in the current boat location and seize this exceptional opportunity!

DETAILED DESCRIPTION

Section name

This exquisite yacht, delivered in June 2022, is a marvel of modern maritime engineering, bearing the hull number NBL 101. It is classified under the prestigious BV or RINA classification societies, with a class notation of BV – YACHT, MACH Charter Yacht, Motor, Unrestricted Navigation, UMS, MCA. The yacht proudly flies the Red or Blue Ensign or the Maltese flag, symbolizing its international pedigree.

With a gross tonnage of 390 GT, this vessel is designed for both performance and luxury, achieving a top speed of 13 knots. It boasts an impressive cruising range of approximately 3000 nautical miles, making it ideal for long voyages. The yacht's architecture includes four decks, providing ample space for relaxation and entertainment.

Measuring 39.5 meters in length overall (LOA), with a beam of 8.3 meters and a draught of 2.9 meters, the yacht offers a spacious and stable platform for its guests. Accommodations are lavishly appointed, featuring four guest cabins, two VIP guest cabins, and a luxurious owner cabin. The crew is comfortably housed in three crew cabins plus an additional master cabin, ensuring top-notch service for all aboard.

The yacht's amenities include a beach club, perfect for enjoying the sun and sea, and it can host up to 12 guests. For those seeking adventure, the yacht is equipped with a 5-meter RIB and a jet ski, providing endless opportunities for water sports and exploration. This vessel is the epitome of elegance and functionality, offering an unparalleled yachting experience.

Inventory list

This yacht is powered by two robust MAN I6 engines, each delivering 730 horsepower at 2300 RPM, ensuring a powerful and smooth sailing experience. The propulsion system is complemented by a ZF gearbox with a reduction ratio of 4:1, subject to confirmation. Engine controls are conveniently located at the main station in the wheelhouse, with additional controls on two wings on each side of the wheelhouse for enhanced maneuverability.

For onboard power generation, the yacht is equipped with two 50 kW Kohler 50-EFOZD generators or their equivalent, providing reliable electricity supply. Freshwater needs are met by a high-capacity water maker capable of producing 5000 liters per day, utilizing a membrane type system. Maneuvering is further facilitated by a bow thruster, which can be hydraulic or electrical, with a rated power of 65 horsepower, pending confirmation.

Stability at sea is ensured by a zero-speed fin stabilizer, enhancing comfort during anchorage. The anchoring system features two vertical windlasses with a pull capacity of 3000 kg, paired with two 160 kg galvanized anchors, subject to confirmation. The anchoring setup is completed with two 137.5-meter galvanized U2 stud-linked chains. Additionally, the yacht is equipped with two capstans, each with a pull capacity of 1500 kg, pending confirmation.

The onboard climate is controlled by an HVAC system with a capacity of 150,000 BTU, ensuring a comfortable environment in all weather conditions. Shore power connectivity is provided by a 125A, 208/400/415+/-10%VAC, 3-phase system with a 30-meter cable, ensuring seamless integration with dockside power sources. The yacht's electrical system is supported by three 100 AMP battery chargers, maintaining optimal power levels for all onboard systems.

Navigation and communication systems are state-of-the-art, ensuring safe and efficient voyages. This comprehensive inventory ensures that the yacht is not

only a marvel of engineering but also a haven of comfort and reliability on the open seas.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
