OVERVIEW

The 39.6 m ISA Extra 130 Alloy L.A.U.L is an elegant aluminum motor yacht delivered in 2019 by Palumbo Shipyard in Savona, a tri-deck superyacht whose lines by Francesco Guida and naval architecture from Studio Rogantin together with Palumbo Superyachts marry generous interior volume to expansive exterior living in a guest-focused layout designed for effortless comfort both underway and at anchor. On the upper aft deck open-air dining, lounge seating and a bar flow via side walkways to a forward sundeck complete with a Jacuzzi, while a broad swim platform forms a waterside beach club that links the aft main deck to a tender garage housing a 5.4 m tender and a jet ski. Sunpads, relaxed lounges and versatile entertainment zones are carefully arranged across every deck to maximize alfresco life and on-the-water amusement.

Inside, sweeping panoramic windows bathe minimalist white and grey interiors in natural light, the spaces refined with leather, metal and slate accents; the main salon features a 65-inch swivel television and a formal dining area that accommodates 12 guests. Accommodation comprises a full-beam owner's suite on the main deck plus three VIP double staterooms and one twin on the lower deck, while crew are accommodated in five cabins for seven with the Captain's cabin positioned on the navigation deck adjacent to the bridge for optimal operations. Propulsion comes from twin CAT C32 engines rated at 1,800 hp each, delivering a top speed of 17 knots, a comfortable cruise at 12 knots and an impressive 5,200 nm range at 9 knots, supported by both underway and zero-speed stabilizers. Meticulously maintained under private ownership with a robust maintenance programme, this explorer-style, 40 m class yacht is perfectly suited to bluewater cruising, offering a sundeck, beach club and tender garage for extended, adventurous voyages.
