OVERVIEW

The B130 is a steel bluewater motor yacht born for uncompromising long-range exploration, its presence defined by a full-displacement steel hull married to an aluminum superstructure to deliver exceptional security, poise, and assurance on ocean crossings. Within generous interior volume lies a full-beam owner's suite and flexible cabin arrangements that confer the comfort and scale of a much larger superyacht. Expansive decks are artfully arranged to afford privacy, tranquil repose, and effortless entertaining. Engineered for reliability and self-sufficiency, this explorer yacht and expedition-class passagemaker is crafted for owners who look past the horizon. Made to go farther.
