OVERVIEW

We are proud to present this vessel, an exemplar of fine workmanship, spirited performance and timeless elegance—an exceptional choice for discerning owners who seek a luxury yacht with both substance and soul. At 40 metres overall, the Ceccarelli motor yacht answers the call of those who value pace, pedigree and genuine blue water capability; her all aluminium hull and superstructure deliver efficiency, structural strength and a noteworthy cruising range, the product of the Ceccarelli family's long experience in aluminium superyacht construction. Francesco Paszkowski has composed a purposeful yet graceful silhouette, while the internal layout is specifically arranged for long range passages and true comfort at sea. Expansive upper and sun decks, protected by glass balustrades, offer uninterrupted vistas that enhance life aboard whether underway or at anchor. A private lounge discreetly positioned beneath the wheelhouse gives owners a calm retreat and convenient privacy alongside. Throughout this tri deck performance motor yacht the flow between inside and out is effortless, with continuous timber detailing tying spaces together and cultivating a refined, relaxed atmosphere from bow to stern.
