## OVERVIEW

---

Mazu Yachts presents the 132 DS, the crowning member of its Displacement Series, a superyacht that redefines contemporary cruising through refined craftsmanship, cutting-edge engineering, and daring innovation. Building on the success of the 92 DS and 112 DS, Mazu sustains its close partnership with Volvo Penta, choosing the new IPS 40 propulsion to provide whisper-quiet operation, exceptional efficiency, and intuitive fingertip control. Conceived as a flybridge motor yacht with unusually generous volume for her category, the 132 DS reveals an airy, open upper deck and a magnificent private owner's terrace—a secluded haven afloat.

Spread over four decks, the yacht unfolds gracious spaces for relaxation and entertaining: a sun deck featuring a refreshing dip pool, inviting L-shaped sofas, a thoughtfully equipped bar, and an alfresco dining table for ten that promises unforgettable evenings beneath the stars. A wide beach club with lateral-folding wings creates a seamless waterfront platform, while semi-opaque glass softly separates it from the main saloon, diffusing light while safeguarding privacy.

Designed as a long-range displacement superyacht for bluewater voyages, the 132 DS marries contemporary aesthetics with state-of-the-art systems to reduce emissions, optimize fuel consumption, and ensure effortless maneuverability—an elegant motor yacht that raises the standard for its class.

# DETAILED DESCRIPTION

---

## Detailed description

---

Mazu Yachts proudly introduces the 132 DS, the flagship of its displacement series, setting a new benchmark in luxury yachting through a refined synthesis of design, technology, and innovation. Building on the success of the 92 DS and 112 DS, Mazu continues its long-standing collaboration with Volvo Penta to ensure best-in-class power; for the 132 DS this partnership advances further with the integration of Volvo Penta's cutting-edge IPS 40 propulsion, elevating the cruising experience with improved fuel efficiency, reduced emissions, and outstanding manoeuvrability. Among her defining attributes is an expansive flybridge exterior area, notably larger than that of other yachts in her size category, and an exceptional owner's terrace that invites you to step into a private open-air sanctuary. Across her four decks, generous lounge zones encourage effortless relaxation, with a sun deck curated around a dip pool, inviting L-shaped sofa seating, a well-appointed bar, and an al fresco dining table for 10. A spacious beach club with lateral-opening wings extends the connection to the sea, while semi-opaque glass delicately separates this waterside haven from the main saloon, preserving both light and intimacy.
