OVERVIEW

A distinguished member of the iconic Benetti Classic Supreme collection, the 132' motor yacht PATIENCE embodies the pinnacle of luxury and sophistication that Benetti is renowned for. Crafted by the esteemed naval architect Stefano Righini, M/Y PATIENCE reflects the quintessential blend of opulence and Italian design mastery.

Constructed in 2012, this exquisite vessel underwent a significant engine room overhaul in 2020, followed by an interior transformation in 2022. Most recently, PATIENCE has been enhanced during a winter/spring 2024 refit, which included a state-of-the-art AV system upgrade featuring Starlink, a stylish interior redesign by Patrick Knowles, fresh linens in all guest cabins, and upgraded VIP cabins with king-sized beds. The gym has been converted into an additional cabin with a queen bed, complemented by new galley equipment and cabinetry.

The master suite, located at the bow, offers an array of luxurious amenities, including a private office, a fold-out balcony, a spacious walk-in closet, and an opulent ensuite bathroom complete with a soaking tub and separate shower. Below deck, four guest cabins await, consisting of two double cabins and two twin cabins, each with its own ensuite facilities.

PATIENCE is an exceptional vessel for both entertaining and unwinding, featuring generous outdoor spaces and two Jacuzzis—one on the sun deck and another at the bow, a rarity for yachts of this size. With numerous options for formal and casual dining, sunbathing, or enjoying drinks with friends, the versatile layout of PATIENCE offers endless possibilities.

This yacht comfortably cruises at 12 knots, achieving a top speed of 15 knots and boasting an impressive range of 3,500 nautical miles at 10 knots. Additionally, she is equipped with zero-speed Naiad stabilization, ensuring a smooth and comfortable experience both at anchor and while underway.
