## OVERVIEW

---

The Concept vessel VRIPACK 132 is set to be delivered in 2025 and accommodates up to 8 guests across 4 luxurious staterooms. This magnificent yacht is equipped with powerful Caterpillar diesel engines, ensuring a smooth and exhilarating cruising experience. Crafting a bespoke yacht typically requires a year of meticulous planning and significant investment. The engineering design stands as the cornerstone of this offering, remaining consistent throughout the process. However, the yacht's profile and interior layout can be tailored to meet the unique preferences of the buyer. For those interested in yacht sales in the current boat location, this is an exceptional opportunity to buy a yacht that embodies elegance and sophistication.
