OVERVIEW

M/Y ENVY is a 41-metre semi-displacement motor yacht whose contemporary lines and confident performance create an irresistible presence on the water. Built by the renowned European shipyard LURSSSEN and launched in 1996, she presents a sleek profile, broad entertaining decks and an interior finished for gracious, luxurious living at sea.

Propelled by twin MTU engines, ENVY delivers a top speed of 22 knots while offering an efficient cruising range between 11 and 17 knots, marrying spirited capability with economical passage-making. Her generous beam creates expansive interior volumes and abundant alfresco space — a sun deck for lounging, dedicated alfresco dining areas and a capacious swim platform that invites water activity.

Accommodation is arranged for up to 8 guests in 4 beautifully appointed staterooms, highlighted by a full-beam master suite that affords space and privacy. Guest comfort is enhanced by a modern at-anchor stabilization system, and social life aboard is supported by two full-beam salons with panoramic vistas. The aft deck is commodious, with dedicated tender and ski storage ensuring easy access to toys and shore excursions.

Privately maintained with meticulous attention, M/Y ENVY remains in pristine condition and is ready for immediate acquisition. Explore yacht sales in the current boat location and claim ENVY as your own.
