## OVERVIEW

---

LUCKY ME heralded the arrival of Baglietto's Wide Body series when she was launched in 2010 by the celebrated Cantieri Navali Baglietto. At 42 metres and constructed in all aluminium, this luxury motor yacht marries athletic vigour with timeless elegance: a performance superyacht that reaches 27 knots, cruises comfortably at 20 knots and carries an approximate 800 mile range. Propulsion comes from twin MTU 16V 4000 M90 engines driving her fast planing aluminium hull, a combination that defines her as a true sport yacht. A proud member of the Baglietto Fast line alongside icons such as Monokini, Apache II and Pachamama, LUCKY ME has been cared for by just two knowledgeable Baglietto owners since her debut. Francesco Paszkowski conceived her striking exterior, where muscular yet refined lines and flowing geometry give the yacht a purposeful, timeless presence. She is laid out to accommodate 12 guests with ease, making her an ideal choice for family cruising or elegant entertaining.

The interior continues the exterior's restrained sophistication: Paszkowski's design, tastefully refreshed by the current owners in collaboration with Cadena Design Group, unfolds in a contemporary, harmonious palette. Forward on the main deck a full beam owner's suite opens to a private study, an intimate seating lounge, a calm bedroom, a generous dressing room and an en suite bath designed as a wellness spa.

A signature indulgence is the pair of fold out balconies in the master suite, which, together with two matching balconies in the main saloon, transform the living spaces into dramatic waterside terraces and heighten the prized indoor-outdoor flow. Warm teak joins crisp white painted oak wall panels throughout, an elegant and modern material pairing. LUCKY ME remains quintessentially Italian built: fast, refined and impeccably styled.
