OVERVIEW

Launched in 2014, EMINA is a 42-metre Benetti Veloce 140 that marries Italian superyacht savoir-faire with the seakeeping and efficiency advantages of Benetti's patented D2P hull form. Conceived as a semi-displacement motor yacht to deliver economical displacement passages without sacrificing performance, she is driven by twin 3,460 hp MTU powerplants that provide a comfortable 16-knot cruising speed and a 24-knot top end with assured composure. Recent, substantial engineering investments have refreshed her core systems, including QL3 overhauls of the main engines, rebuilt generator sets, enhanced power-conversion equipment and an extensive renewal of the electrical network. The completion of her 10-year RINA classification survey further confirms that this highly specified Benetti has had its principal machinery works carried out and comprehensively documented.

SPECIFICATIONS

DETAILED DESCRIPTION

Key features

Her patented Benetti D2P hull artfully marries the fuel-efficient serenity of displacement cruising with the dynamic acceleration of planing, and twin 3,460 hp MTU engines propel her to a 24-knot top speed. Significant mechanical and electrical overhauls — including QL3 engine servicing, rebuilt generators and a fully renewed electrical infrastructure — have been carried out to bolster reliability and overall performance. A ten-year RINA class survey has been completed following this substantial technical investment, underscoring her readiness for extended cruising.

Accommodation is generous and adaptable, offering six staterooms to sleep twelve guests aboard this 42-metre yacht. The full-beam owner's suite on the main deck features a private starboard-side balcony, while alfresco living is centred on an approximately 77 sqm (830 sq ft) sundeck with bar. At the water's edge, a beach club with a dedicated bar provides direct access to the sea and to water toys, creating an effortless connection with life on the water.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
