DETAILED DESCRIPTION

Just enough

Custom-built by Ares Marine and measuring 42.98 m (141'), JUST ENOUGH is a contemporary luxury motor yacht and modern superyacht that combines comfortable family-oriented accommodation with charter-ready refinement. Launched in 2012 and brought up to date with a full refit in 2024, she presents a welcoming arrangement for private ownership or for premium crewed charters. Accommodation is arranged for up to eleven guests across five cabins, including a main-deck Master suite, two double cabins and two convertible double/twin staterooms, with a total of seven berths: two king, two queen, two singles and one Pullman, while up to nine professional crew deliver discreet, consistent service. Beneath her lines the aluminium hull and superstructure use a semi-displacement form for assured seakeeping, aided by advanced Zero Speed stabilizers that reduce roll both underway and at anchor, and a shallow draft of 2.13 m (7') allows access to secluded coves and low-lying bays often out of reach for deeper-draft yachts. Twin Caterpillar main engines provide a comfortable cruising speed of twelve knots and a quoted top speed of one hundred seventy-six knots, and with an approximate range of three thousand five hundred nautical miles supported by an eleven thousand five hundred gallon fuel capacity she is equipped for long passages and true bluewater cruising. Onboard systems include a VSAT satellite connection for high-speed internet, yacht wide Wi-Fi, full air conditioning and satellite TV for onboard entertainment, while open-air life centers on the expansive sundeck with sunpads, a deck jacuzzi, an outdoor bar and BBQ and a practical swimming platform — all signatures of a top-tier luxury charter yacht. The water-toy inventory is extensive and family-friendly, featuring two Yamaha WaveRunners, towable inflatables, waterskis, a wakeboard, a Seabob,

paddleboards, beach games and full fishing and snorkeling kit, complemented by a tender fleet that includes a 10.36 m (34') Boston Whaler Vantage Chase Tender for stylish, dry transfers and a 4.88 m (16') Walker Bay Generation 450 tender for everyday guest runs; popular additional options often seen on leading superyachts — jetskis, a waterslide, a floating pool, the Seabob and more — further raise the fun factor. In summary, JUST ENOUGH distinguishes itself with spacious, flexible accommodation for eleven guests in five cabins; comprehensive climate control, Wi-Fi, a full bar and BBQ, a jacuzzi and media amenities; Zero Speed stabilizers for smooth passages and calm anchorages; efficient cruising range combined with a shallow draft; a strong selection of toys; and two versatile tenders for all transfer needs — a refined, modern motor yacht especially well suited to families and groups seeking both relaxation and energetic waterside fun, with the range and draft to make Caribbean cruising straightforward and rewarding. Marketed as a turnkey charter vessel with a strong track record, JUST ENOUGH has demonstrated proven charter success and commercial appeal, generating impressive charter revenue between July 2018 and September 2022 and showing sustained demand and notable charter potential supported by enthusiastic client feedback and high broker confidence. That market recognition is reflected in consistent commercial viability over four years, regular praise from leading charter brokers and appearances at major yacht shows, repeated guest testimonials praising the crew, comfort, cuisine and onboard entertainment, and steady bookings with strong repeat interest, making Motor Yacht JUST ENOUGH more than an attractive luxury yacht — she is a proven charter performer and a turnkey opportunity for owners seeking reliable income and unforgettable private charters.
