OVERVIEW

ANTELOPE IV is an open class motor yacht from Leopard Yachts, a name synonymous with high performance sport yachts that marry speed and refinement. Her long, flowing silhouette conveys athletic elegance with a touch of aggression, a clear expression of the marque's racing DNA. Designed by Andrea Bacigalupo and comprehensively refreshed stem to stern in 2022, she is presented in immaculate, no compromise condition.

Accommodating up to 10 guests across five suites, this fast planing yacht achieves a 35 knot top speed for thrilling passages, yet transitions effortlessly to leisure mode with a deck jacuzzi and a complete complement of water toys. State of the art gyro stabilizers reduce roll both underway and at anchor, significantly enhancing comfort for guests throughout every voyage.

Outdoor life is a centerpiece: expansive teak decks are laid out with oversized sunpads, al fresco dining and ample lounge areas designed for convivial entertaining. The sun deck is a highlight, appointed with a jacuzzi, bar and an open terrace perfectly suited to sunbathing or open air dinners. Inside, a contemporary open plan layout offers generous salons, a dedicated dining space and floor to ceiling glazing that frames sweeping sea views. The interior mood is modern luxury—clean, highly functional and superbly finished—making ANTELOPE IV ideal as a luxury charter yacht, sport cruiser or private family motor yacht. A true open yacht for Mediterranean day cruising and island hopping, she blends sport yacht performance with superyacht polish.
