DETAILED DESCRIPTION

Section name

This yacht is a masterpiece of modern naval architecture and design, crafted with precision and elegance. The naval architecture is the brainchild of Alfa Marine Design, while the exterior and interior styling are the work of Red Yacht Design, ensuring a seamless blend of aesthetics and functionality. The interiors are manufactured by MSM, providing a luxurious and comfortable environment for all guests.

The yacht is equipped with freshwater tanks that have a capacity of 8,656 cubic meters, supported by two Sailor S 3/40 plant watermakers capable of producing 8.4 tonnes per day, complete with a Silver Ion Sterilizer TY 168. Sanitary tanks hold 7,586 cubic meters, ensuring ample capacity for extended voyages. The yacht is classified under RINA with a C .HULL . MACH YCH, short range navigation, and is constructed with a Grade A steel hull and a marine aluminum superstructure for durability and performance.

Stability is enhanced by the ABT TRAC 440 zero-speed stabilizer, and the paint system is a combination of Awlgrip-Jotun and Jotun, providing a sleek and polished finish. Guest accommodation includes a master stateroom and four guest cabins, while the crew accommodation is designed for a captain and eight crew members, ensuring a high level of service and comfort.

The main engines are two Caterpillar units, each delivering 1450 BHP at 2300 RPM with SCR, paired with a ZF gearbox with a 3.5:1 ratio. The shaft system is a Radice with Vulkan Vulkardan F thrust bearing Propflex, ensuring smooth and efficient propulsion. A Castoldi Jet Tender 16 serves as the tender boat, providing easy access to shore and additional exploration opportunities.

Auxiliary machinery and electrical systems include two Caterpillar C4.4 model generators producing 86 ekW at 1500 RPM, and an additional Caterpillar C4.4

model generator providing 51 kW at 1500 RPM. The ancillary equipment features a hydraulic steering system, ABT TRAC 440 hydraulic stabilizer stern thruster, mechanical rudder angle indicators, and an ABT TRAC bow thruster measuring 24 inches. Sewage treatment is managed by a Hamann system, while the air conditioning system is provided by Heinen Hopmann, complemented by a mechanical ventilation system. The watermakers are Sailor S 3/40 watermaker plants, ensuring a steady supply of fresh water. The anchor windlass is robust and reliable, and the Opacmare passerelle provides easy boarding access. Entertainment systems include six 50-inch TVs, four 55-inch TVs, and three 43-inch TVs, ensuring ample entertainment options for all guests.

The galley is equipped with high-end appliances from Miele, Liebherr, Electrolux, Rational, and Ultravent, including induction cookers, microwaves, coffee machines, beverage cabinets, wine dishes, deep freezers, refrigerators, ice machines, dishwashers, and a kitchen ventilation system. Zesis provides single lever kitchen mixers with pull-out spray and sBox lite, ensuring a fully equipped and functional kitchen.

The laundry facilities are top-notch, featuring Miele washing-spinning machines, washer dryers, and an industrial-type roller cylinder iron steam, ensuring all laundry needs are met with efficiency and ease. This yacht is a testament to luxury, performance, and meticulous attention to detail, offering an unparalleled experience on the water.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
