OVERVIEW

Launched in 1967 by the distinguished British yard Dunston Shipyard, M/Y Daddy Shane is a 44.2-metre classic motor yacht that has been meticulously cared for and recently treated to a full, stem-to-stern refit, emerging as a modern, high-end luxury vessel while retaining her original character. Built on a robust steel displacement hull and offering generous volume of 560 GT beneath a gracefully raked sheer, she presents an unmistakable silhouette on the water and delivers the space, authenticity and genuine long-range cruising capability often lacking in contemporary production superyachts. Designed for those who appreciate heritage paired with current-day reliability, she features expansive open decks, an inviting interior and upgraded systems that ensure refined comfort whether undertaking extended passages or resting serenely at anchor.
