OVERVIEW

Built and crafted by AB Yachts, the 44.6m FAST & FURIOUS was launched in 2016, showcasing a perfect blend of power and sophistication for an extraordinary journey. Her pristine interior, adorned with exquisite woodwork and warm neutral tones, positions her as one of the most captivating yachts in her sporty class. She graciously accommodates up to 10 guests across five generous staterooms, featuring a Master suite complete with a drop-down balcony.

The exterior is designed for entertainment, offering inviting lounge areas from the foredeck and sundeck to the beach club, along with a chic new party deck and bar. The lower deck is equipped with a Gym and Office space, catering to those who wish to stay active or work while at sea. For speed enthusiasts eager to navigate between ports swiftly, this exceptional Superyacht delivers remarkable stability and performance.

Powered by three MTU M94 engines, FAST & FURIOUS glides effortlessly at a cruising speed of 37 knots, with the capability to reach a thrilling maximum speed of 42 knots. This yacht for sale is a true gem in the current boat location, making it an ideal choice for anyone looking to buy a yacht that embodies luxury and speed. Explore yacht sales in the current boat location and seize the opportunity to own this magnificent vessel.

DETAILED DESCRIPTION

Section name

Built and designed by AB Yachts, the 44.6-meter FAST & FURIOUS was delivered in 2016, embodying a perfect blend of power and elegance for an unforgettable yachting experience. Her interior is immaculate, featuring patterned woods and neutral warm colors, making her one of the most compelling and admirable yachts in her sporty category. FAST & FURIOUS comfortably accommodates up to 10 guests across five spacious staterooms, including a Master suite with a drop-down balcony, offering a luxurious retreat on the water.

The exterior of the yacht is designed for entertainment and relaxation, with lounge spaces extending from the foredeck and sundeck to the beach club. A stylish new party deck and bar enhance the social atmosphere, while the lower deck offers a gym and office space for those who wish to maintain their fitness routine or attend to business matters while at sea. For speed enthusiasts, FAST & FURIOUS is a unique superyacht that performs with remarkable stability, allowing for swift cruising between ports of call.

Powered by three MTU M94 engines, FAST & FURIOUS cruises comfortably at 37 knots and can reach a maximum speed of 42 knots, ensuring a thrilling and efficient journey. This yacht is not just about speed; it is about experiencing the ultimate in luxury and performance on the open water.

Section name

The yacht is equipped with an impressive array of detailed specifications that ensure both comfort and safety on the water. For stabilization, it features twin Sea Keeper stabilizers and four HUMPHREE Interceptors, providing a smooth

and stable ride even in choppy conditions. The electrical system is robust, with shore power connections offering 50/60Hz voltage at 350/400 V, supported by six EXIDE batteries of 180 Ah and two additional EXIDE batteries of 100 Ah for each generator.

The air-conditioning system by Condaira ensures a comfortable climate throughout the yacht. Safety and monitoring are paramount, with systems including a monitoring alarm, a fire and smoke detector system by Autronic, underwater lights, a telephone network, and a CCTV system by Boning. Communication is facilitated by a VHF system from Furuno, a SAT. COM. system using FURUNO Inmarsat Fleet Felcom 250, and Starlink connectivity. Safety systems are comprehensive, featuring an EPIRB, radar reflector, meteo receiver system, portable RTX VHF system, AIS by Furuno, a BNWAS system, and a ship's horn. Navigation is supported by a radar system, sounder-log system, and RX GPS system. The ship's equipment includes a fixed firefighting system (FM200) in the engine room, ensuring safety in case of emergencies. Nautical equipment is extensive, with a barometer, clock, inclinometer, training manual, compass deviation card, binoculars, navigation tool kit, navigational lights, registration flags, international code flags, navigation day shape signals, posters and signs for survival craft and equipment operations, a hand bearing compass, and an Aldis lamp.

Deck equipment includes two windlasses and two capstans by Lofrans, with anchoring facilitated by two galvanized 220kg HHP type anchors and two galvanized anchor chains of 120 meters each. Mooring bollards are strategically placed with four on the foredeck, four on the aft deck, and two spring-line bollards at midships. Fairleads are also well-positioned on the foredeck, aft deck, and amidships. The gangway and side boarding ladder feature an integrated transom-mounted retractable over swim platform extension.

Accommodation is well-appointed, with a galley that includes a dishwasher,

built-in oven, steam oven, microwave oven, four induction hobs, a deep fryer, four fridge-freezers, a Corian top with integrated sinks, and a stainless steel exhaust range hood. The laundry area is equipped with two 6.5 kg washing machines, two 6.5 kg dryers, an iron, and an Iron DILAS. The crew mess is fitted with a fridge-freezer and a Krups Nespresso coffee machine. A detailed inventory is held on file, ensuring that every aspect of the yacht's equipment and amenities is meticulously documented.
