DETAILED DESCRIPTION

Standard Key Features

This yacht features an impressive selection of amenities crafted to elevate your time on the water. The exterior showcases a bold full hull in Rally Red, while the interior is tastefully designed in gray with red accents, offering a refined yet sporty atmosphere. With five conveniently placed cup holders and three grab handles, the design prioritizes both convenience and safety.

Equipped with four mooring cleats, the yacht ensures secure docking. The dual-purpose gauge displays both speedometer and voltmeter readings, keeping you updated on your vessel's performance. A 12V accessory outlet and a 12V horn add extra functionality and safety.

For seamless navigation, the side-mounted engine controls include a trim and tilt switch, paired with a custom sport steering wheel for precise maneuvering. The yacht is fitted with three bow and transom eyes, enhancing its versatility and practicality. The 12V navigation lights guarantee visibility and safety during night voyages.

The cutting-edge M-Hull design offers stability and a smooth journey, while the fiberglass floor liner ensures durability and easy upkeep. The helm is shielded by a windscreen, providing comfort and protection from the elements. Lastly, the swim platform with a telescoping ladder invites you to enjoy the water effortlessly, making this yacht an ideal combination of style, functionality, and performance.

Optional features

This yacht presents a selection of optional features crafted to enhance your time on the water. The MX Package comes with a waterproof 120-watt AM/FM

stereo system featuring Bluetooth, so you can enjoy your favorite music while cruising. It also includes a bimini with a boot for shade and protection, along with a mooring cover to maintain your vessel's pristine condition when docked. The M Comfort Package boosts onboard comfort and ease with a digital depth indicator, keeping you informed of the water depth at all times. A bow filler cushion adds extra seating or lounging area, while the portside lounge seat provides a cozy place to unwind. The package is rounded out with a stainless steel package, infusing the yacht's fittings with elegance and durability.

For those who appreciate connectivity and real-time information, the Vessel View Mobile option lets you track your yacht's performance right from your smartphone. Additionally, a galvanized trailer is available, offering a sturdy and dependable way to transport your yacht to and from the water. These optional features come together to deliver a luxurious and tailored boating experience.
