## Standard Key Features

---

This yacht features an eye-catching exterior with a pristine white hull, paired with an elegant interior in shades of gray accented by black. Crafted for both comfort and utility, it includes five well-placed cup holders and three grab handles, ensuring ease and safety for everyone on board. The yacht is fitted with four mooring cleats, offering reliable docking options.

For those who value accuracy, the dual-function gauge provides both speedometer and voltmeter readings, while the 12V accessory outlet and horn enhance the vessel's functionality. Maneuvering is simplified with side-mounted engine controls, featuring a trim and tilt switch, all easily accessible from the custom sport steering wheel. The yacht is further equipped with three bow and transom eyes, providing strong anchoring points.

Safety and visibility are top priorities, with 12V navigation lights guiding your way. The cutting-edge M-Hull design ensures a smooth and stable voyage, while the fiberglass floor liner offers durability and easy upkeep. The helm windscreen shields you from the elements, and the swim platform, complete with a telescoping ladder, allows for effortless water access for swimming or boarding.

This yacht flawlessly combines these elements into a unified and luxurious experience, making it a perfect choice for those who desire both elegance and functionality on the open sea.

## Optional features

---

This yacht presents a remarkable selection of optional features crafted to enrich your time on the water. The MX Package enhances both entertainment

and convenience with its waterproof 120-watt AM/FM stereo system featuring Bluetooth connectivity, letting you enjoy your favorite music while cruising. This package also includes a bimini with a boot for shade and protection, along with a mooring cover to keep your vessel safe and pristine when docked.

For those desiring extra comfort, the M Comfort Package is an ideal option. It includes a digital depth indicator for accurate navigation, a bow filler cushion for additional lounging space, and a portside lounge seat that invites you to unwind. The package is rounded off with a stainless steel package, adding a layer of elegance and resilience to the yacht's fixtures.

Enhancing the yacht's functionality further is the Vessel View Mobile, which delivers real-time data and diagnostics straight to your mobile device, keeping you updated on your vessel's performance. Completing the package is a galvanized trailer, providing sturdy and dependable transport for your yacht, making it simple to discover new waters. These optional features come together to offer a truly customized and luxurious boating experience.
