OVERVIEW

Located in Stuart, FL, this lightly used 2013 Turbojet Williams Tender, with just 80 hours on the clock, offers thrilling experiences on the water, whether you're gliding along the coast or indulging in water skiing. This yacht has been consistently stored out of the water and maintained with precision by its captain. The owner is selling this gem to upgrade to a larger tender.

Manufacturer Provided Description:

The Turbojet 445 features many of the top attributes in its class, now with increased capacity, more storage, and a host of innovative options. Outfitted with a robust high-torque jet pump and a larger seating area, the Turbojet 445 comfortably seats six adults and one child. This enhanced power not only delivers remarkable speeds for water skiing but also makes it perfect for fast coastal cruising, positioning the Turbojet 445 as a truly versatile utility yacht tender. Discover yacht sales at the current boat location and take advantage of the chance to own a yacht that perfectly blends luxury with performance.

DETAILED DESCRIPTION

Section name

The Turbojet 445 stands out as an exceptional yacht tender, merging the top-tier features of its predecessors with increased capacity and a suite of innovative options. Crafted to comfortably seat six adults and one child, this adaptable utility yacht tender is equipped with a new high-torque jet pump and a larger seating area, promising a smooth and powerful journey. Whether you're engaging in waterskiing or enjoying a swift coastal voyage, the Turbojet 445 offers remarkable top speeds and thrust.

This model comes with a variety of standard features that boost both functionality and luxury. The bathing ladder and under-seat storage add convenience, while the 12v DC socket and sealed, removable upholstered seating enhance the overall opulence. The sports boat hull design and piped deck drains ensure peak performance and safety. For added assurance, an automatic fire extinguisher is included, along with a GPS speedometer, RPM gauge with digital hourmeter, and a fuel gauge to keep you informed throughout your trip.

The Turbojet 445 also includes a single lever throttle/shift control, plug-in navigation lights for port, starboard, and running, and stainless steel rear handles for extra security. The teak effect bathing platform, footwells, and side-steps add a touch of sophistication, while the folding backrests and forward seat neoprene/fabric grab handles increase comfort. Additional practical features include an engine flushing attachment, bow U bolt, four lifting pad-eyes, forward cleat, ski eye, and two rear tie-down points.

Safety and upkeep are prioritized with an automatic bilge pump, bilge blower, and battery isolator. A tube repair kit and a two-stage footpump are also included, along with an owner's manual for easy guidance. The built-in fuel

tank holds 56 litres, and the hand-crafted inflatable tube features a rubstrake and six grab handles for enhanced durability.

For those desiring further customization, the Turbojet 445 provides a selection of optional extras. Elevate your experience with a VHF radio, underwater lights, stereo, GPS, and shorepower hookup, allowing you to personalize the yacht tender to your specific requirements and tastes. With its combination of performance, comfort, and adaptability, the Turbojet 445 is the perfect choice for any yachting aficionado.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
