## OVERVIEW

---

Hull Number 2 of "The Gotham Project Series" is now available for acquisition, with delivery scheduled for June 2020. Please note that Hull Number 1 has been SOLD and is no longer on the market.

Crafted to stand apart, engineered for excellence, and designed for the daring. When Dutch craftsmanship merges with stunning exterior aesthetics, the outcome is extraordinary. The Gotham Project is a revolutionary take on yachting tradition.

Equipped with twin 2000hp MTU engines, this yacht can reach speeds of up to 26 knots through traditional shaft drives, ensuring that her performance is as captivating as her appearance. Among her many exceptional features are a bespoke glass wine cellar, a fully-equipped gym, and strikingly symmetrical entertainment spaces.

A true masterpiece; a wolf in elegant attire.

### ICON YACHTS

Staying true to the founding vision of ICON Yachts, the Gotham Project emerged from a distinctive and eye-catching design concept, skillfully brought to life by the talented Ivan Erdevicki and a dedicated team who recognized the immense potential of this remarkable project.

In collaboration with ICON Yachts' technical engineering team and the highly experienced Van Oossanen Naval Architects, the Gotham Project has evolved into a sophisticated and capable yacht, brimming with cutting-edge technology and a breathtaking interior layout.

Designed for comfort and efficiency, the iconic 46-meter platform guarantees an unforgettable experience and cherished moments with family and friends.

### ER YACHT DESIGN

Celebrated yacht designer and naval architect Ivan Erdevicki, in close

partnership with ICON Yachts and the committed project broker Bristow-Holmes, has crafted a fast 45m Sports Superyacht tailored for the next generation of yacht enthusiasts seeking something truly exceptional. The bold and contemporary design of this sleek superyacht is sure to turn heads wherever she sails.

#### BRISTOW-HOLMES

With over 15 years of experience in the yachting sector, founder Harry Bristow-Holmes played a pivotal role in the inception of "The Gotham Project." His passion for custom yacht construction and a reputation for introducing a fresh, audacious perspective to yachting have been instrumental in the project's development. With an outstanding reputation, extensive knowledge, and unparalleled global connections, Bristow-Holmes is ideally positioned to safeguard your interests throughout the yacht sale process.
