OVERVIEW

The ZAR 49 SL stands out as the most sought-after medium-sized vessel from ZAR, establishing itself as the ultimate yacht tender in the 15-16 foot category. This exquisite yacht for sale accommodates up to 9 passengers comfortably, offering ample storage solutions, self-bailing decks, and standard swim platform extensions complete with a built-in telescopic dive ladder. With its premium craftsmanship and the renowned ZAR hull design, featuring a sharp entry and a 24-degree deadrise at the transom, it guarantees an exceptionally smooth ride. The innovative reversed chines effectively channel water downwards, ensuring a remarkably dry experience on the water. There truly is no ride quite like a ZAR! Thanks to its unique hull and tube configuration, the ZAR 49 SL boasts nearly 3 additional feet of waterline length. In fact, to match its impressive interior volume, you would need to consider competing models that are nearly 2 feet longer. Explore yacht sales in the current boat location and seize the opportunity to buy a yacht that redefines luxury and performance.
